Casar Baptist Church was organized in December, 1894, and accepted into Kings Mountain Baptist Association in 1903. They have a present membership of 167. The present house of worship was constructed in 1934. Rev. Jerry Laughter is pastor; Emerson Pruett is Sunday School Director; Donald Melton is Church Training Director; and Mrs. Alethea Downs is W.M.U. Director.

New Bethel Baptist Church was founded in July, 1848, with a charter membership of twenty-five persons. Only seven churches in the Kings Mountain Association are older. Taking as his text Matt. 16:13-18, he said some principles of sports can be applied to the church: We must have a winning style; be on the offensive rather than the defensive; be in constant contact with the coach (God). He concluded his message with this question: The church is going to win, will we be a part?

17. Youth Speaks, a youth program coordinated by Rev. Quoting Acts 15:28-29, he added that Christ needed no defense then, nor does he need any now. He needed the loyalty of his disciples and that's what he needs now instead of Christians trying to kill each other with the Bible. He closed his message with the question: Who am I to sit in judgement on another's experience?

WORLD MISSIONS REPORT—State, Home and Foreign

Our commission is to "Go", "Teach all nations", "Disciple", "baptize", "teach them to observe (do) all things commanded by Christ and He promises us that He will be with us always even unto the consummation of the ages."

We often hear it said by some of the people in our churches: "I think that missions should begin at home." Our Lord would not quarrel with that statement, for that is exactly what He said.

He gave His disciples His Program for the Ages: "You will be filled with power when the Holy Spirit comes on you, and you will be witnesses for me in Jerusalem, in all of Judea and Samaria, and to the ends of the earth." The starting point is in "Jerusalem", but this is not the end.

Southern Baptists are trying to follow the plan given by our Lord as nearly as they possibly can. There are three phases of this plan (actually four):—

1. "Jerusalem"—Local Church field, Associational Missions, etc.
2. "Judea"—State Missions
3. "Samaria"—Home Mission
4. "Foreign Missions"—"The ends of the Earth."

They have also devised the best means of financing this plan for "All the world and for All-time" . . . the Unified Budget in the Local Church and the Cooperative Program for World Missions.

Through the Cooperative Program every Baptist can share in our Global Task. We can reach clear around the World. This we are doing through the efforts of 2500 Home missionaries . . . and approximately the same number on the Foreign fields.

As long as we continue to support this work, we may rest assured that the Lord will be with us "even unto the end."

Respectfully submitted,
Oscar Funderburke, World Mission Representative

South Mountain Baptist Camp
1971 Report

You can rejoice in the victories at your camp this year. We, the staff at South Mountain witnessed many thrilling experiences during the summer. Over 3,500 came for some type of organized activity this season. 1970 attended our camps. Hundreds came by for a visit. 134 attended from your Association.

We had 1150 decisions for Christ. Of these 317 were professions of faith.

We maintained a dedicated staff of 22-25 whom God used in a wonderful way. They went into fifteen churches on week ends to sing, show slides and give testimonies about their experiences with Christ at camp. We are deeply grateful to them for this extra service rendered to the Camp.

Johnny and Rhea Ross were the very able assistants of T. A. Lineberger, Camp Director. Your director is very much indebted to his whole family for the success of the Camp. Our Theme for the year was, "Showing Christ to the World". Rhea Ross wrote a new song to help remind the campers that every Christian has the responsibility of showing Christ to the world. Each week during the summer we had a Missionary to help give each one a worldwide vision of our responsibility. Campers studied organization work each day.

We had a good year financially. During the year we deposited $30,500.00 into the general fund. Operating expenses were $22,700.00. During the year we paid off a $9,000.00 note plus $700.00 interest. Funds came in well during the year for the Chapel. $4,177.00 is in the fund now.

Immediate Needs: Caretakers home to be built, winterize buildings, sow grass in play area, fix crossing at river, build bunk beds, build Chapel, finish missionary Cottage, increase Water Supply

Improvements during the year: painted assembly building, two cottages and store; covered water line, landscaping, enlarged play area, graded road to missionary cottage, paved basketball court, built office, sowed gradss.

Respectfully submitted,
T. A. Lineberger

ANNUITY BOARD REPORT

The Annuity Board of the Southern Baptist Convention is seeking to fulfill the admonition of James 1:27 which says, "Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction . . . " The Board is doing this for every widow and child whose husband was a member of one of the various plans operated by the Board. The visiting is made in the form of a monthly check, and in many cases by a personal visit by someone representing the Board. In cases where the husband was a member of the Ministers Protection Plan the family may recieve a check for as much as $25,000 as was the case with two families in our own association upon the death of the husband.

Southern Baptists are also following the truth expressed in Luke 10:7, "For the workman deserves his support" Williams, even after he has retired if such workman has participated in any of the plans provided through the Annuity Board. It is a wonderful feeling to know that each month there will be a check to help meet the needs of the retired worker and his family. We "Thank God and take courage" for what the Board is doing in this respect.

With the constantly rising costs of medical care the Health Protection Plan cannot be emphasized too much. Even though the plan is rather costly the services provided are well worth the price. Life insurance plans are also available on a group basis which makes these plans less expensive than those provided on an individual basis.

We commend the pastors and other denominational workers who are in these protection plans, and more especially do we thank God for the churches as they help their leaders by providing part or all the cost the protection made available by our convention. We would again urge the pastors and churches who are not now providing for the needs of the future to consider doing so at the earliest possible date.

Respectfully,
W. P. Biggerstaff

REPORT OF SUPERINTENDENT OF MISSIONS

This has been a good year. There is a spirit of revival evident in many of our churches. Young people, in many instances, are in the forefront of this new evangelistic outreach. Reports come from many churches of phenomenal growth in membership, stewardship, and ministry. New buildings rise, old ones are modernized and made more comfortable and useful. Church programs are coming through a "70s" transition period, adapting methods to a changing world with its unchanging need of the changeless Saviour. A spirit of enthusiasm and harmony is at a high level in many areas.

This is not to say that all is well. Changing population trends and a "shift" economy are making it difficult for some churches to maintain past levels of effectiveness. Disharmony has reared its ugly head in some. But, all in all, it's been a good year.

The Association is now engaged in a meaningful Youth and Family Service Ministry under the leadership of Rev. Fred D. McGehee. A Baptist Youth for Christ Ministry is to have its initial meeting in January, the Evangelism Committee is planning for an emphasis on personal witnessing using the WIN materials, and our volunteer workers in Sunday School, Church Training, Brotherhood, W. M. U., Music and Library stand ready to assist any church or individual and would welcome opportunities. Mrs. Petty and I are anxious to assist in any way, any time.

Some things we need to look at and plan for as churches and Association:

1. Keep working at maintaining and enriching the fellowship we have as brothers and sisters in Christ.
2. Try to come to a more meaningful concept of what the church is and how it can minister to a changing world.
3. Divise and implement ways and means of enlisting all our laymen in a vital outreach for our Lord.
4. Be aware of the impact Buffalo Lake is going to make on our county and how we can adjust to it and minister to it.

We look backward humbly grateful for blessings, contrite and penitent over our failures, and we look forward knowing that the task is great, the adversaries are many, but the resources of the God of glory are available.

C. O. Greene

ASSOCIATIONAL SUNDAY SCHOOL REPORT
October 1970-September 1971

The associational Sunday School ministry for this past year was, for the

most part, a joint effort with the Church Training Department. The first of these joint activities was a central school at Elizabeth Baptist Church, November 2, 3, and 5, presenting the series on "Administering The Bible Teaching Program." On February 8, 9, and 11, at Elizabeth, the "Guiding" series was offered, and on April 19, 20, and 22, the "Understanding" series was offered with Elizabeth again being the meeting place.

On March 11, a team of seven workers represented our association at Lincolnton for a regional Sunday School Leadership Readiness Conference, and as a result of this conference this team conducted a Teacher-Trainer Clinic under the direction of Dr. Bob Lamb, at Dover Baptist Church on June 29.

Mr. Gary Southard, our associational Vacation Bible School Director, lead our association in two VBS clinics at Second Baptist Church, Shelby on April 1, with a total of 216 attending.

This past year's activities were climaxed with a joint rally at Bost Gymnasium on the Gardner-Webb campus on October 12. This rally consisted of singing by the Pastor's Quartet, the Gardner-Webb College Chorus, and the Expression of First Baptist Church, Shelby. Sgt. E. T. Vanhoy spoke on "Highway Safety and the Christian Attitude", followed by a drama on drug abuse by the Drama Department of Gardner-Webb College. Donald Byrd gave his personal testimony, and Dr. Harper Shannon of First Baptist Church, Dothan, Alabama was the inspirational speaker.

I am deeply gratefly to everyone who cooperated in making this association ministry possible. God bless each of you.

Respectfully submitted,
Harold L. Threatt
Associational S. S. Director

CHURCH TRAINING REPORT

We feel that we have had a very good year in Church Training. Inquires from various Churches lead us to believe that many of our Churches are giving real interest to Church Training.

Our Associational Church Training work has been a joint effort with our Sunday School work. Working together, we have sponsored the following work during the past year.

1– Leadership training and study of the "Administering" books for both Church Training and Sunday School. This effort was at Elizabeth Church Nov. 2, 3, 5, 1970.

2– "M" night on Nov. 30, 1970 at Patterson Springs Church. There were 28 Churches represented with Patterson Springs and Buffalo sharing the attendance Trophy. Rev. Harold Threatt was our "M" night speaker.

3– A school for teaching the "Guiding" books was conducted at Elizabeth Church Feb. 8, 9, 11, 1971. There were 30 Churches represented and 75% of the enrollment as average attendance.

4– "Youth Night" was observed March 20, 1971 at Bost Gym–Gardner-Webb College. Approximately 550 attended a program that featured music by the Real Life Singers and the Gardner-Webb Folk Group, a pantomine WHO CARES ANYWAY by members of the Lattimore and Pleasant Grove churches and Davis Bowen with Youth Ministries Service of the Baptist State Convention as "Youth Night" speaker.

5– A Central School was conducted again at the Elizabeth Church April 19, 20, 22, 1971. This school was well attended and led by an excellent faculty.

We hope our associational year of 1970-71 has been as profitable to you as it has been to us as we have tried to plan meaningful programs. Your suggestions are always welcomed and our help is always available.

Respectfully submitted,
E. H. Sessom

WOMAN'S MISSIONARY UNION

When it is report time again and we look back over the year just past, we usually find many things we'd like to change. But this opportunity has passed and we must look to today and to the future.

God has blessed in many ways. Some of our churches have organized WMU work and several have re-organized this year.

The leaders in WMU Association work have been a blessing to me and to each other. Each age level leader has been actively engaged in helping the age level organizations in the churches.

The annual WMU meeting was held April 13 at Calvary Church, Shelby. Mrs. Troy Bennett was the missionary speaker. The Hand Bell Choir from First Baptist Church, Monroe rendered special music.

September 7, the workshop was held at Pleasant Ridge Church and was a tremendous success. Around 250 women were in attendance.

We have plans now for a Mission Action Workshop in January.

The WMU watchwork for this year is: "All will openly proclaim that Jesus Christ is Lord, to the glory of God the Father."

WMU has a task of teaching missions–missions is spreading the gospel according to the Great Commission. From the Foreign Mission Study for this quarter may we share:

"If God lives–and we believe He does
If the gospel brings hope–and we believe it does
If Christ's Commission is for us–and we believe it is
It outside of Christ there is no hope–and we believe there is not
Then we have no excuse if we fail to use every means in every way to expand our witness until every person has the opportunity to accept Jesus Christ."

Respectively submitted,
Mrs. W. D. Ledbetter
WMU Director

BROTHERHOOD REPORT

The Associational Brotherhood began the year with a Missions Rally at Boiling Springs Church on November 17, 1970, at 7:30 P.M. This was a joint meeting with the Associational W.M.U. Mrs. Recca Bingham gave the Call to Prayer. The speaker was Mrs. Troy Bennett, missionary to E. Pakistan. Mrs. Linda Dixon provided special music.

A Baptist Men's meeting on Witnessing was held February 23, 1971, at Lily Memorial Church. Speakers were Howard Tesseneer and Bill Watterson.

The R. A. Conclave was held at Zion Church on May 14 at 7:30, jointly with the Baptist Men.

On August 17, 1971, at 8:00 P.M. a meeting on Stewardship was held at Elizabeth Church. Laymen participated in analyzing a church budget.

During the year we had the opportunity to assist many churches in the Association and we are happy to report two new Brotherhoods organized this year.

Respectfully submitted,
John H. Hendrick
Brotherhood Director

ASSOCIATIONAL MUSIC REPORT

This year, churches in our Association were urged to expand their present music program. Numerous conferences were held throughout the year with choir directors in an effort to show them how to do various things in this effort to expand. Often times specific music was suggested for particular occasions.

Some 40 of our churches sent young people to participate in a county wide youth choir. Presently 45 churches are participating in the musical Natural High.

The music program in this association is ready to assist any church.

Associational Music Director

CHURCH LIBRARY REPORT

Each time we open a book, we hope to find answers to the questions of our daily existence—some deeper insights into ourselves, our friends, our world. When sometimes we cannot find solace, we are disappointed. But often we discover in the writing of wise men an eternal spark of truth that suddenly illuminates the human condition and makes us see ourselves and our fellows with new fresh eyes. The purpose of a good book is to bring greater meaning to every life experience.

Longfellow once said, "Give what you have, to some it may be better than you dare to think."

Our librarians through our church libraries are striving to give what we have in good literature to everyone who will receive it, daring to hope many will find an answer.

We now have thirty libraries with active librarians in the association and approximately 23,500 books for circulation. Our goal for the year is six new libraries and a good representation at the Library Conference at Ridgecrest next summer.

Ruby Irvin

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1971.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and canceled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1971.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEE'S REPORT

BAPTIST MINISTERS' WIVES AUXILIARY REPORT

The Ministers' Wives of the Kings Mountain Association held monthly meetings during October through May. The theme for the year was 'So We're Ministers' Wives—Let's Look at Ourselves . . . '. One of the highlights of the year was our Christmas party to which our husbands were invited.

As we met in the homes of our members we shared fellowship, information, and inspiritation together.

We meet on Thursday after the first Sunday, at 2:00 P.M., and we extend a cordial invitation to all Ministers' Wives in our Kings Mountain Association.

Respectfully Submitted,
Mrs. Fred D. McGehee, Jr., President

IN MEMORIAM

As we look back over the past Associational Year and look forward to the new, we are aware that there are many vacant faces in our homes, in our churches and in our communities. God has seen fit to call many of our co-laborers and his children home.

Today we pay tribute to all those who have entered into that Celestial City. Those who have "fought the good, kept the faith and finished the course.", must be among the innumerable host that looks down from the battlements of heaven, with love for us and the Lord they so faithfully served. We praise God for their loyalty and faithfulness and bow our hearts and heads in humble submission to the Master's will. May their example inspire us to higher and noble efforts to serve our day and generation and to Glorify the God they served so well.

Respectfully

REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOME OF NORTH CAROLINA, INC.
1971

Let a graduating senior express what it is like to live in one of our Baptist Children's Homes: "I really do not know how to write about a place which has been so fine, and which has given me the opportunity to worship, work, and learn; not only where we stand in moments of comfort and convenience, but where we stand in moments of challenge and moments of controversy. After all these years, one finally learns that certain values and practices are good and sound and help children to feel secure and happy."

This statement could be made by almost any senior regarding his home and community, for a child in the care of the Baptist Children's Homes has basically the same attitudes and values as other children. He differs from other children only in the tragic experiences which have made it necessary for him to live away from his family. For these children, it is our mission to provide loving care in the spirit of Jesus Christ. We want to work in harmony with what we sense God is doing in the life of each child, enabling the child to tap his own inner resources and grow to responsible adulthood.

The pursuit of this basic goal has led the Children's Homes to develop a variety of services, all family centered. Some families need resident care for their children and for these we have group homes and foster homes. Some families can remain together with outside help and for these we have family service in the form of counseling or financial assistance. For the unmarried girl who is pregnant, we offer maternity care. For the graduate in our care, we assist in higher education. For churches involved in day care, we provide a demonstration program and consultation service. We welcome individual inquiries regarding any of these services as the need may arise.

Our services are made available through strategically located facilities throughout North Carolina: in the East at Kinston, Pembroke, Fayetteville and Raleigh; in the Piedmont at Chapel Hill, Thomasville and Charlotte; in the West at Asheville and Waynesville.

Staff members and children of the Baptist Children's Homes are grateful for the harmonious relationship we have shared with North Carolina Baptists. The churches have expressed their confidence and support through increased Cooperative Program gifts and a 1970 Thanksgiving Offering of $380,000. Individuals continue to give generously and to become involved in our varied ministries. We accept this support as an investment in all that we are doing and we pledge ourselves to translate your investment into quality Christian child care.

REPORT ON CHRISTIAN LITERATURE

Too much cannot be said concerning the tremendous influence of Christian literature upon the lives of people. We become a part of what we read and think. Therefore, feed the minds of our youth on Bible centered literature. Can we imagine what our society, both Christian and otherwise, would be without the influence of Christian literature? You can hardly visit a home in any community where you will not see the Book of Holy Scripture, and not only this, but scores of religious books, portions of Scripture, or plaques on the walls of many homes—reminding all who enter these homes that the people who live there believe in God. Investments of life are many and reach into scores of areas for all

people believe something. And all are seeking for a purpose for their lives. We know as Christian disciples that the ultimate is found only in God's redemptive processes in Christ Jesus. That being true, may we Baptist Christians send out the Light to all men, by word of mouth, the printed page, radio, TV, and in any acceptable way which God can favor and bless; to all the world for His Name's sake, now!

From the BAPTIST PRESS, as of March 27, 1971, we note this commendable report: "The seventh straight year, Southern Baptists led in total gifts to the support of the American Bible Society with contributions of $233,185. From all 70 denominations supporting the Bible Society, a total of $1.4 million in contributions was received. United Methodist ranked second, with $207,584."

1971 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

At a time when some religious publications are losing circulation, it is good to report that the BIBLICAL RECORDER has passed 93,000—the highest circulation in its 138-year history. This circulation is a tribute to the Baptists of North Carolina who support the paper so faithfully.

Even though inflation continues to create problems, you can receive the RECORDER under the Church Budget Plan for the same price it was in 1960—only $2.00 a year. It is not known how long this reasonable price can be made available and that is all the more reason churches should enlist immediately.

The RECORDER likes to report all the good news it can about Baptists. The paper is proud to be the instrument that communicates to the world what our denomination is doing. When evil needs to be exposed, however, the RECORDER does not shun it. This was evidenced again in the legislature this year as the liquor forces managed only small gains. And these may turn out to be unconstitutional. We are referring to the local option liquor by the drink elections in Moore and Mecklenburg Counties. The RECORDER stresses Christian citizenship. Perhaps this is one reason the paper continues to reach more and more people—it stands for something.

The RECORDER appreciates every reader and supporter. The cost is reasonable. You can receive the RECORDER under the Church Budget Plan for only 4 cents a week—half the cost of mailing a letter. There is no more economical way to have an informed membership than by sending the RECORDER to every family.

J. Marse Grant, Editor

GARDNER-WEBB COLLEGE

Lloyd C. Bost, Chairman, Board of Trustees
E. Eugene Poston, President of the College

Gardner-Webb College granted her first Baccalaureate Degrees in May of 1971. There were 242 of them. Seventy-three more were awarded in August of 1971. Thirty-seven Associate in Arts Degrees were also awarded in May and August of 1971. There are still two-year programs available in Business and Nursing.

The 65th year of operation is underway with a student body of 1451 and 89 faculty members. Thirty-two of these faculty have earned the doctorate. Six other faculty members are on leave of absence working on their doctorates.

The campaign to raise $1,500,00 has surpassed the goal and has reached a total of $2,200,000. The trustees and the administration are continuing the campaign to reach a challenge goal of $3,500,000.

Gardner-Webb College is primarily a liberal arts school, with a wide range of majors. There are 121 ministerial students and 74 other full-time church-related majors enrolled during the present term. One of the great needs is an adequate financial aid program for these students.

The Dover Memorial Library has 57,270 volumes and a new building is in the planning stages. The J.R. Dover, Jr., Memorial Chapel is under construction. Plans are being developed for an addition to the Webb Administration Building and for a new dormitory to be named in memory of Mr. Hubert Maxton Craig, Sr. There is a definite need for an auditorium-arena to meet the needs of an expanding physical education department, athletics, and convocations.

The Gardner-Webb College Endowment increased by $98,000 and is now valued at $2,163,000 (including an irrevocable trust). The physical plant is now valued at $8,800,000. June 30, 1971, the college owed a debt of $879,846 which is being amortized at the rate of $11,000 per month plus interest.

Gardner-Webb College is proud to be a part of the Baptist State Convention of North Carolina. We pledge to support the Baptist cause throughout North Carolina, the Southern Baptist Convention, and the Baptist World Alliance.

Gardner-Webb's purpose is clear and concise. "To develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice." We shall strive to fulfill this purpose in every phase of the life of the college.

NORTH CAROLINA BAPTIST HOSPITAL REPORT TO ASSOCIATIONS, 1971

Your Baptist Hospital admitted 17,557 persons in 1970 for a total of 150,174 days of care. In addition, there were 51,563 visits to outpatient clinics, including 17,241 to the Emergency Room. About 90% of these were "referral" patients—that is, patients who were referred to our Hospital by their local physicians because they needed the specialized medical care our Hospital is staffed and equipped to offer.

Our Hospital, from the day of its beginning, has provided good medical care for our people, including care for persons who cannot pay the cost. There has been great progress in medicine and tremendous increase in hospital costs, and these have made some policy changes necessary. The basic policy of providing care—now the highly specialized care for the more difficult cases—for those who cannot pay has not changed. This Christian ministry is at the heart of the work of our Baptist Hospital.

The financial situation of the Hospital is viewed by the administration with "cautious optimism". The operating deficit has been reduced and expenditures are being kept more nearly in line with income. The entire staff is cooperating in an effort to maintain a proper balance between sound financial policies and a spirit of Christian compassion.

The Medical Center Development Program is progressing on schedule. The new patient Tower is expected to be ready for partial occupancy by late 1972. The 14 bed coronary care unit will open about September, 1971. A statewide Development Campaign, initiated with pledges totaling $177,182 from employees of the Medical Center, is moving toward successful completion.

Baptist Hospital offers a ministry of healing in Christ's name to all who need it. It seeks to fulfill the same purpose in North Carolina that a Baptist Hospital operated by our Foreign Mission Board seeks to fulfill in Korea or Nigeria. It ought to be supported by missionary-minded Baptists with the same enthusiasm and for the same reason we support every other phase of our denomination's World Mission Program. This is missions too.

John C. Hamrick

SUGGESTED COOPERATIVE PROGRAM REPORT

Is there a church you can lead to increase Cooperative Program giving by $5,000? or $10,000? or $15,000? Does your association have 100% of the churches contributing through the Cooperative Program? Anson and Yates associations did in 1970. More than 1,000 churches in North Carolina increased Cooperative Program giving last year by 10% or more over the previous year. As a dedicated Christian steward will you try to lead your church to increase the percentage of the offering plate dollar given through the Cooperative Program?

A pastor said during a Fellowship Dinner in his church, "My hands reach 25,000 miles, or rather the Lord's hand through me, when I lay the dedicated tithe of my income in the offering plate of our church.

"But how can I reach this distance? By joining hands with others.

"You see, our church gives 32 cents of every undesignated dollar through the Cooperative Program.

"Our Lord set a wonderful example for us at this point. He started with education. He taught the apostles and they proclaimed the gospel around the world. The Cooperative Program is an effort to follow this example.

"Since the Cooperative Program helped to educate and now pays the salary of over 6,000 missionaries around the world, I am able to reach around the 25,000 miles of the earth as I tithe through our church," concluded the pastor.

You can reach 25,000 miles as your church gives a worthy portion of each worshiper's contribution through the Cooperative Program.

North Carolina Baptists believe that the Cooperative Program is the best way to do mission work because:

1. It is motivated by the Great Commission. The Cooperative Program did not create cooperation on the part of Baptist churches; the desire of the New Testament churches to give the gospel to the world created the Cooperative Program, (Luke 24:45-48; Acts 1:8).
2. It is rooted in New Testament practices (II Cor. 8 and I Cor. 16:1-3).
3. It is the product of generations of the best Baptist leadership.
4. It gives hope for the future.

The Moderator, the Convention's General Board member, our Superintendent of Missions, and your Cooperative Program Representative in this association, plus your Regional Cooperative Program Consultant and R. Tom Greene of the Baptist State Convention office are delighted to offer friendly service to aid your aim of increased Cooperative Program sharing. On your invitation we stand ready to assist in every possible way.

Carlos Young

HISTORIAN'S REPORT
KINGS MOUNTAIN BAPTIST ASSOCIATION–1971
Casar Baptist Church

"And this rumor of Him went forth . . . "Luke 7, 17.

There were rumors of a great prophet coming to Judea, Jerusalem and Gallilee. The word got to John the Baptist who sent his disciples to Jesus to see if this was true. You remember the Master's reply. "Go your way and tell John what things ye have seen and heard, how the blind see, the lame walk, the lepers are cleansed, the deaf hear, the dead are raised, to the poor the Gospel is preached".

Rumor is not enough!

Other places in the Bible report on the good and evil of rumors. In the days of Isaiah and Hezekiah God sent a rumor back to Ninevah and the great king Sennacherib went into a trap and was killed by the sword; but first the prophet

had to prophesy, the Jewish king believe, an angel kill the Assyrian hosts, to save the city of Jerusalem.

There may be wars and rumors of wars, and good or mischief may attend them, but there also must be deeds, happenings . . . FACTS if you will, for all of the work of the Church to be done and recorded for posterity to know.

To paraphrase some of the members of our younger generation, "Let us tell it like it is".

Newspapers have a formula for getting the news. The editor tells the reporter to find out Who, When, Where, What and Why, then explain fully by telling How.

The writers of the Bible pulled no punches in telling the stories of man's weaknesses, foibles and mistakes, or of his triumphs and Gods great power and love.

Jesus did not say that the man from Gadera had a psychoneurosis with paranoia, or a delusion of persecution, or that he had a depressive reaction with anxiety. He said he was possessed by a devil, that he was evil.

The prophet Nathan told David, "Thou art the man".

Jesus told the woman at the well, "Thou has had five husbands".

Both old and New Testaments faithfully report the happenings as they were, good or bad, fruitful or tragic, death or life dishonesty or duplicity, sin or salvation.

Our Historians, Clerks, secretaries and even the pastors, deacons or any one who has any thing to do with performing or recording the work of the church, ought to give the whole picture.

Some of the Churches are doing this, and well. Others have recorded very little. We who are researching the 120 years of the Kings Mountain Baptist Association records find some of the minutes of the Association and of some of the churches rather sterile, mild, weak, and a little lukewarm. We know of some occasions where all of the facts have not been included. In some of our churches large sections of the minutes are missing for one reason or another.

Finances and figures are the most faithfully reported "facts" in our records, but our Historical Committee will continue to urge the Scribes to record what the people are saying, thinking and feeling about the great issues in the Church today and what we are doing to resolve them.

If the Lord sends a rumor, let us supply the facts.

W. Wyan Washburn

ASSOCIATIONAL FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., was organized in 1920. It has a fifteen-member Board of Directors elected by the Baptist State Convention. The policies and procedures of the Foundation and the support of the same is in the hands of the Baptist State Convention of North Carolina. In other words, this is your Foundation, and you should know more about its services and activities.

During the past twelve months, the Foundation has had a gradual growth,

in that several individuals and churches have made contracts with the Foundation to accomplish specific purposes such as: supporting an agency or institution of the Baptist State Convention, the Southern Baptist Convention, and world-wide objects. In one or two instances, individuals through their wills have added to existing memorials that were established during the lifetime of the donor. The Foundation stands ready to render service to individuals and churches as their requests are made known. We wish to serve you.

1971 REPORT TO THE ASSOCIATIONS ON NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Our North Carolina Baptist Homes for the Aging celebrated their 20th anniversary in March of this year. During these two decades, the story of our Homes has been one of faith and the abundant blessings of God upon this special ministry to older people. God has brought us from one Home, and one resident in 1951, to five Homes and a Nursing Care Unit, with total accommodations for 160 residents and 76 patients. Two of these Homes, Resthaven and the Hayes Homes, and the Nursing Care Unit are located in Winston-Salem, and the other three Homes are located in Albemarle, Hamilton, and Yanceyville. In these Homes, our residents are loved, and we feel that there is no greater security that they could have and no better care that they could receive.

The past year has been one of the best ever, and we are rejoicing in the blessings that have come from God through our Baptist people. Support for the Homes from the churches, through the Cooperative Program and the Special Day Offering, has been most encouraging. For the last three years, the Homes have had an alarming deficit and have operated in the red. We have not yet reached the point of operating in the black, but let us say, with hopeful optimism, that we are approaching this time. The deepened concern of our Baptist People and the increase in gifts have been strong contributing factors to the success of the past year.

At least 80% of the people who live in our Baptist Homes are financially needy persons and benefit directly from the love gifts of North Carolina Baptists. They simply could not be maintained, and the Homes could not be operated without the Special Offering, designated gifts from the churches, and the Cooperative Program. We would urge our Baptist people, therefore, to remember how dependent these dear older people are on them and would challenge them to give more liberally than ever and to see that their gifts are a real life-line in the on-going of this ministry.

Of unusual interest during the past year has been the construction of the new addition to the Nursing Care Unit in Winston-Salem. It is anticipated that this new facility will be ready for occupancy by September 1. It will make available 20 additional beds and bring the total capacity of the Nursing Care Unit to 76. This addition was made possible by the generous challenge gift of $80,000.00 from Judge and Mrs. William York, of Greensboro. The trustees accepted the challenge and raised an additional $80,000.00.

Pray for your Baptist Homes for the Aging and remember that any ministry to an older person in the name of Christ is a direct ministry to Him.

EVANGELISM REPORT

We thank and praise God for the renewed interest we are seeing in Evangelism! It is evident that a mighty evangelistic revival is in the making. We sensed it during our State Evangelistic Conference in Greensboro and especially on Youth Evangelism Night when almost 20,000 youth and adults overflowed the Greensboro Coliseum and War Memorial Auditorium. There were 1519 decisions made by the youth alone. There is tremendous interest in the new WIN materials on lay witnessing and the one week Lay Evangelism Schools all across our state and in the various associations. The first of these schools will be held in the Mecklenburg Association on November 1-7.

There will be a cooperative effort on the part of the N.C. Evangelism and Brotherhood Departments with the N.C. United Methodist Conference in four Regional Evangelism Conferences for Baptist and Methodist men during October 18-19 and 21-22, 1971 all across the state. Featured personalities for these meetings will be Dr. Kenneth Chafin, S.B.C. Evangelism Department, and Ralph Neighbors, outstanding pastor of Houston, Texas.

The next Statewide Evangelism Conference will be in Cumberland Country Memorial Auditorium, Fayetteville, February 7-9, 1972. Youth Evangelism Night will be held again in Greensboro Coliseum, August 18, 1972.

Please pray for the Evangelistic efforts all across our state and especially in our own association, that souls may be led to commit their lives to Jesus Christ as Saviour and Lord.

Respectfully submitted,
Joseph Sanders

REPORTS

SUPERINTENDENT OF MISSIONS REPORT

How does one say farewell to a rewarding work that has been so much a part of his life for thirteen years? Words alone won't do it. Tears may come close but they, too, are inadequate. All I know to do is to try to express my gratitude for the thousands, including more than 250 preachers, whose lives have touched mine; to say thanks to the hundreds of volunteer workers whose contributions of time, talent, and concern have in large measure been responsible for any achievements in the years; to my predecessors, Lewis Ludlum and Tom Bray, for laying the foundation and making my work lighter; to the four office associates, Mrs. Fred Cornwell, Mrs. Fred Crisp, Mrs. Bill Dover, and Mrs. Thomas Petty, who have worked faithfully behind the scene in responding to the many and diverse calls that come to our office; and to my patient and understanding companion who has made a home for me where I found refuge from the hurts of life and encouragement for its tasks.

I pledge my continued support to World Missions, of which Associational Missions is an increasingly vital part, and especially to my successor in the post of Superintendent of Missions.

My prayer for you may be found in the words of the Apostle Paul as he prayed for the church at Philippi.

> "And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and may be pure and blameless for the day of Christ, filled with the fruits of righteousness which come through Jesus Christ, to the glory and praise of God." Phil. 1:9-11 RSV.

Respectfully submitted,
C. O. Greene

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1972.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1972.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year and therefore we have nothing to report.

ASSOCIATIONAL SUNDAY SCHOOL REPORT
October 1971—September 1972

God is in the people business. The great passion of the heart of God is to reach people. The advent of Jesus Christ into human history was for the express purpose of bringing man to know God through personal salvation. The entire story of God's revelation of himself is the story of a God who cares about man.

The associational Sunday School ministry for this past year was oriented toward this concept of reaching people for Jesus Christ. The name of this emphasis is "People to People." We have participated in and sponsored the following work during the past year:

1. In February, a team of twelve workers represented our association at the First Baptist Church in Lincolnton for a regional Sunday School People To People Real Life Conference. As a result of the conference this team conducted two Real Life Conferences in our association at First Baptist Church in Shelby in the spring and at Westview Baptist Church in Shelby in the fall.

2. Mr. Gary Southard, our Associational Vacation Bible School Director, led our association in two Vacation Bible School clinics: one in Kings Mountain and the other in Shelby.

3. Presently, many of our churches are involved in the People To People emphasis which we hope will result in many lost people coming to know Jesus Christ as their personal Savior and Lord.

This program will be continued throughout 1972-1973 and will culminate in an Associational Bible Conference to be held next fall.

We appreciate the opportunity to serve our Lord and stand ready to serve you in any way we can. One closing word, there are people in our own families, our communities, and our neighborhoods who are lost; they need our love and our witness. Can we see them and love them? Jesus said, "Look on the fields; for they are white already to harvest. Pray ye therefore the Lord of the harvest, that he would send forth labourers into his harvest." If we do not supply the labor, the harvest will be lost.

James P. Wall
Associational Sunday School Director

CHURCH TRAINING REPORT

The Church Training Department has worked to assist the other organizations of the Association this year. There have been no special projects by the Church Training Department for the year.

Special projects are on the calendar for 1973 and 1974. A two-night divisional conference for Church Training Leaders is scheduled for February 19, 20, 1973. A Director-Led Church Training Revival is planned for September 28-October 2, 1974. It is hoped that all of us will give a more serious look and effort toward our responsibility to train church members.

Respectfully submitted,
E. H. Sessom

BROTHERHOOD REPORT

The Brotherhood began its year of activities in November, 1971, with a joint Brotherhood and WMU meeting at the Pleasant Grove Church with emphasis on Missions.

In February, 1972, we had a very inspirational meeting on Witnessing at the Putnam Memorial Church with several men giving personal testimonies.

We joined the R.A.'s at Oak Grove Church in May for the R.A. Conclave and in August our meeting on Stewardship was held jointly with the W.M.U. at Beaver Dam Church.

We have had the opportunity to assist some of the churches in the Brotherhood work this year.

Respectfully submitted,
John H. Hendrick,
Brotherhood Director

WMU REPORT

Praise the Lord! This is an expression we are sometimes reluctant to use for fear of sounding too emotional. But this is how I feel concerning the four years I have had serving as WMU Director in this association.

There have been times when we realized complete failure. We made mistakes, but there were so many mountain top experiences and we cannot dwell on mistakes and failures. The important thing is that we knew we were doing what our Lord wanted us to do and the peace that comes in being in the will of God makes the difference.

The Apostle Paul said in writing to Timothy, "And I thank Christ Jesus our Lord, who hath enabled me, for that He counted me faithful, putting me into the ministry." I thank God for the privilege of service, for He it was who enabled me.

The women of the Kings Mountain Baptist Association are the finest to be found and they have inspired those of us who served on the WMU council. I'm so grateful for those who served so faithfully.

Mrs. W. Y. Ellis, Associate Director
Mrs. Joe Hamrick, Baptist Women Director
Mrs. John Cline, Baptist Young Women Director
Mrs. Joseph Sanders, Acteens Director
Mrs. Harol Wright, G.A. Director
Mrs. Marvin Hamrick, Mission Friends Director
Mrs. Thomas Austell, Secretary-Treasurer

Several new organizations have been realized and many have re-organized.

Now, how can you help in the days ahead? You can read the material that comes to you and keep abreast of what is happening in the Association, the State and the Southern Baptist Convention. You can be faithful in attendance at meetings and call on your associational officers for help when you need it. Mrs. McSwain and the WMU council will need your prayers and your support. Be faithful in this too.

We pray that the WMU work will forever be going forward under the direction of "The King eternal, immortal, invisible, to Him be glory for ever and ever."

Respectfully submitted,
Mrs. W. D. Ledbetter
WMU Director

MUSIC REPORT

This has been a good year for the music ministries in our churches. The enrollment is at an all time high, as is the weekly attendance. Many churches have sought information regarding the various aspects in designing choir rooms,

choir lofts in sanctuarys, etc. Also, conferences have been held advising the selection and purchase of music. Others have sought information concerning musical instruments.

The high point of the year was the gathering of over 200 young people, under the direction of Susan Wilson, to form the choir for Kairos '72. Also during the year, young people from our churches sang for the North Carolina Baptist Youth Convention in Raleigh Coliseum with 8,000 attending, and in August the North Carolina Youth Evangelism Night in the Greensboro Coliseum with 14,500 attending.

Currently there are 511 teenagers from 78 churches meeting each Tuesday at First Baptist Church in Shelby singing the musical "Christ Is Risen, Jubilation." During each rehearsal there is a time of chorus singing, hard work preparing the musical, and ending with testimonies and prayer. Of these 511 teenagers, 303 come from 33 churches in the Kings Mountain Baptist Association. These young people are from every high school, junior high school and college in Cleveland County. Presentation of this program will be after January 1st.

Dr. Phil Perrin of Gardner-Webb College is the director of the Cleveland County Community Chorus. Many of our Baptist adult choir members enjoy singing with this group. Last year they presented three programs.

Respectfully submitted,
Van H. Ramsey
Music Director

CHURCH LIBRARY REPORT

Our Church Library directors have been busy this year participating in many and varied activities to promote library materials and relate them to the over-all program of the church. These include reading clubs, special promotions for special weeks and days by displaying materials for instigating and supplementing programs, encouraging groups to visit the library in a body on special invitation from the director, and making reading and listening materials available to shut-in and inactive members. Some libraries are receiving memorial books and we are pleased that these "living memorials" will continue to provide so much good reading material for so many people.

We now have in the association 31 church libraries with a collection of approximately 25,500 books and an annual circulation of nearly 20,000. One new library has been added this year and six directors have attended state and/or regional Conferences.

Plans are being made for other interesting and beneficial activities in 1972-73 as more people are now realizing the importance of the church library.

Respectfully submitted,
Ruby Irvin,
Library Director

REPORT ON WORLD MISSIONS: STATE, HOME AND FOREIGN

The Lottie Moon Christmas Offering for Foreign Missions in 1971 was an all-time high . . . $17,833,810.22. Our hearts are filled with praise to God for

this remarkable outpouring of Christian generosity and missionary concern. The Foreign Missions $36 million-plus budget funding depends primarily on the Cooperative Program unified budget of the Convention and the annual Lottie Moon Offering in local churches.

This month the Baptist Men's Journal will become a monthly publication rather than a quarterly. It will give a far more comprehensive coverage of Baptist work abroad. Foreign Missions Hotline I will begin October 1 and will continue through December 31, 1972. If you wish to call, the number is: (703) 355-6581. You may secure the latest up-to-the-minute reports direct from headquarters. This line will be open during these three months 24 hours a day.

Convention-wide receipts from January/July, 1972 through the Cooperative Program amounted to $16,000.63 . . . . . for the same period the total designated was $23,994,225.

The estimated total Cooperative Program gifts through our State Office was $8,000,000. The proposed budget to be sent through the State channels this year, 1972/'73 . . . $8.5 million . . . an increase of $5,000,000 over last year.

Of the funds going beyond the State, Home Missions receives 6.07%. Our Home Mission Board is doing a wonderful job with the small percentage allotted to it.

We have much of which to be proud and grateful, but the fact is we have the habit of coming up with "too Little too Late." May God help us to follow the example of the Macedonians: "They first gave their ownselves to the Lord." Then we are told they brought an offering beyond their ability to give.

Respectfully submitted,
Oscar Funderburke
World Missions Representative

MEMORIALS

In Revelation 14:13 we read: ". . . Blessed are the dead who die in the Lord henceforth. Blessed indeed, says the Spirit, that they may rest from their labors, for their deeds follow them."

In order that we may appreciate life, the reality of death must be recognized. All are human and mortal. The emphasis for a Christian is on the quality of life, and the need to live life to its fullest extent.

We pause today to remember those who once walked along with us, and to thank God for their influence in the world. Even today, the lives of ten good men, or women, can save a city from destruction.

It is not just the great or the famous that we honor, but the average person that has influenced the community by a good life, lived quietly, among hardships, and whose Christian witness and character have been shown by his actions.

We recognize the many contributions made by those that have passed on, and we thank God for them, and for what they have brought to our lives. From their memory may we draw resources that will strengthen us as we live.

Respectfully submitted,
R. Allen Jolley

BEAUTIFICATION REPORT

I have had occasion to consult with several interested people about tree problems on church property during the past year. Please keep up the proper maintenance and care of all your existing trees and add new ones where feasible and practical.

The Gardner-Webb College staff is doing a fine job, and the new trees they have added are really outstanding. Keep up the good work and future generations will be thankful that you helped keep North Carolina beautiful.

The most magnificent monument you can leave will be the planting of trees to make your home, your church, and your country a more beautiful place in which to live. The Lord will help you in this worthwhile endeavor. Good Luck!

Sincerely yours,
H. C. Wilson
Beautification Committee Chairman

REPORT TO THE HISTORICAL ASSOCIATION
October 17, 1972

"He that keepeth Israel shall neither slumber nor sleep." Psalm 101: 4

The Historical Report to the Association this year is brief. We haven't done much. Mrs. Othello Traywick, who has been our researcher and secretary for

several years moved away when her husband was called to pastor a church in eastern North Carolina. She was systematically researching and reviewing all the pertinent records of the Association from 1851 to the present.

Our Committee sorely misses the services of Mrs. Traywick and are looking for someone on a part-time basis who could continue where she left off. It would be nice if she were also a good photographer, since we want the history to be filled with pictures of our people and their past.

You may see from the Association's Treasurer's report the state of our finances. All of our bills are paid and we have a little nest egg for operation. This is not enough to publish the book, but these funds should come later. Our Committee has proposed pre-publication sale and expect sales after publication to meet the costs.

History is an on-going process and what was commonplace in 1851, 1853 or even 1873 are now historical events of importance and great interest. For example, in 1853 this Association met at the Boiling Springs Baptist Church, where we will be tomorrow. We were two years old and numbered only fifty messengers. We are now entitled to messengers from seventy churches. At the meeting in Boiling Springs, a man named David Hamrick invited all the messengers to go home with him for the night. They all went, had supper and breakfast and a night's lodging.

His wife Sarah was flabbergasted, but not outdone. She had flour and cornmeal and sent her husband David to rob the bees for honey. She churned a big crock of milk for butter and buttermilk. The lodgers ate hoecake, butter and honey and had cornbread and buttermilk. There is no record of more food, but the record says that they had wonderful fellowship as the men slept on the hay in the barn and the women made pallets to sleep on the floors.

This is a precious story of earlier times when life was simple, but religion was very real.

We hope that all the messengers will come to Boiling Springs tomorrow, spend the night if you will, but don't look for hay in the barn, or for hoecake and honey. However, we will try to provide fellowship akin to that of 1853.

Let me urge every church to continue systematically recording its history, especially the simple human, personal things, as well as the business matters.

Respectfully submitted,
W. Wyan Washburn

ANNUITY BOARD REPORT

Help!. Help! That cry is often heard across the bounds of the Southern Baptist Convention. This call comes from ministers, their families, and others who are employed by our churches and conventions. The Annuity Board of the Southern Baptist Convention always makes an effort to answer the cry for help within the limits of its provisions and abilities. Many retired or disabled ministers depend upon this help almost exclusively. Indeed many would likely have to depend on the Welfare system of our government if it were not for the income they receive from the Board.

The Board also provides a very fine insurance plan against illness and the high cost of hospitalization. Widows of deceased ministers who are covered by the Minister's Protection Plan also receive a generous amount at a time when many of them would be left without resources.

We believe every pastor should be covered by this plan, and that the churches which they serve should see to it that the pastor has the help of the church in providing the needed resources in order that he may not be dependent on others after retirement, and that his family will be protected in case of his death before retirement age. This is the best plan we know of for pastors, their families, and other denominational workers. Let us demonstrate our compassion in advance for the men and women who serve so faithfully in the Father's Kingdom.

Respectfully,
W. P. Biggerstaff

SOUTH MOUNTAIN BAPTIST CAMP REPORT
1972

Your camp is being used more and more each year! Late in the fall of 1971 and early in the spring of 1972 church groups came for retreats.

The increasing popularity of your camp prompted us to begin early to prepare for more campers. Repairing cabins, building bunk beds, drilling another well, etc., enabled us to take care of the overflow crowds that came.

Including the staff, our average attendance was 217 each week. 4,000 attended some kind of organized activity and hundreds came to visit our services. Including retreats and special groups there were 390 attending from your association.

Our theme for the summer was "Listening to God." We had a staff of 25-30 dedicated young people who were very helpful in our camp program. Bible study, worship, mission study, and study for advancement helped campers to have a deep experience with God. 1,385 made a decision for Christ:323 professions of faith, 46 commitments for full time Christian service, and 1,016 rededications. Word has been received from a number of churches that their entire church was blessed when campers shared with them their camp experiences. Our mission emphasis made the campers aware that every Christian has a responsibility to share Christ with the whole world.

Our staff, under the direction of Mrs. Rhea L. Ross, developed into a touring choir. We led worship services in 19 churches in which over 250 made decisions for Christ. We were unable to accept all the requests by the churches.

We deposited $36,000.00 into the general camp treasury. This was several thousand dollars more than it took to operate the camp. However, we urgently need the support from churches to enable us to make improvements, build a caretakers home, build a chapel, and finish paying for our bus. Many churches who learn of the way the Lord is using your camp are putting us in their budget.

Respectfully submitted,
T. A. Lineberger, Director

GARDNER-WEBB COLLEGE

R. Patrick Spangler, Chairman, Board of Trustees
E. Eugene Poston, President of the College

Gardner-Webb College received accreditation as a Senior College by the Southern Association of Colleges and Schools December 1, 1972. This means that the graduates who received Bachelors Degrees in 1972 will not be penalized. This was the climax of ten years of diligent work on the part of thousands of people. This could not have been done without the continuing help of the Baptists of North Carolina. The Cooperative Program is the life blood of Gardner-Webb College. The Father's Day Offering gives the transfusion needed to boost the program each year.

The 66th year is in progress. The largest enrollment in the history of the college has been reached—1567 students. These students are being taught by 90 faculty members. There are 176 people on the payroll at Gardner-Webb College, including faculty, staff, administration, and maintenance.

Many innovations are taking place in the academic program—internships in several disciplines, advance placement and credit, individualized instruction, and a limited number in independent study programs. One faculty member is at Florida State University developing computerized instruction for upper bracket courses.

Community Service is a growing part of Gardner-Webb College. This has been a long time concern at the college. Students and leaders go out into churches to serve, faculty members conduct workshops for public school teachers, and students do tutoring service for the economically deprived. The administration serves in the civic, political, and religious phases of community life. The college is becoming a vital part of community life. These three areas of service are being pursued: (1) teaching, (2) research, and (3) public service.

The college continues her capital gifts campaign in Lincoln and Catawba Counties in North Carolina, and Spartanburg and Greenville Counties in South Carolina. A total of $2,471,405 has been pledged. The J. R. Dover, Jr. Memorial Chapel has been completed. The addition to the Webb Administration Building is underway. The building of the new Dover Library will be started in the near future. The Hubert M. Craig Residence Hall will be under construction during 1973. The need for an auditorium-arena is great.

There are 247 students majoring in religion or religious education. Gardner-Webb ranks No. 1 among Southern Baptist Colleges in this area. Financial aid to these students is needed.

As of June 30, 1972, Gardner-Webb College owed a debt of $789,106 to the First Union National Bank of Charlotte. At the date of this report the debt was $766,092 and being amortized at the rate of $11,195 per month plus interest.

The College is proud to be a part of the family of the Baptist State Convention of North Carolina, ad pledges her support of the State and Southern Baptist Conventions and the Baptist World Alliance.

The purpose of Gardner-Webb College is clear and concise—"To develop quality Christian students who think for themselves, and who will dedicate themselves to the Christian way of life in the vocation of their own choice."

BAPTIST HOSPITAL REPORT TO ASSOCIATIONS

The distinctiveness of Baptist Hospital's ministry lies not alone in its care for charity patients, but also in the type of service it renders to all its patients, and to many other people throughout our state and nation and around the world.

As an academic Medical Center it is engaged in research and in education, as well as direct patient care. The ministry through research is far-reaching since new discoveries in medicine offer new hope to people everywhere. The educational ministry also extends around the world, since graduates of the Bowman Gray School of Medicine serve in 88 counties of North Carolina, in 47 states and the District of Columbia, and in 25 different countries. Alumni of the School of Pastoral Care serve in almost every state and in 39 other countries.

The quality of direct patient care provided at Baptist Hospital is distinct in at least two respects. First, it is a specialized type of medical care, provided for referral patients who have rare or complicated medical problems. Because of the highly-skilled specialists in almost every area of medicine, and the elaborate equipment available for diagnosis and treatment, we are able to provide the kind of care which is available only in a large medical center. Ours is one of only 108 such medical centers in the United States.

In addition to offering this kind of medical expertise, a second distinctive of our patient care is the Christian concern for the total person with all his needs. This spirit is found among physicians, nurses, aides, and other personnel throughout the Center. The Department of Pastoral Care seeks to minister specifically to the spiritual and emotional needs of patients and their families.

Baptist Hospital does continue to serve patients who cannot pay for their hospital care. Even with the tightening of admission policies and procedures, only one person in twelve months—i.e., one in approximately 17,000 applications for admissions—was not helped. In 1971, charitable allowances amounting to $1,370,000 were issued to patients unable to pay in full. The Mother's Day Offering of $371,000 helped make this charity work possible.

The hospital takes pride in its record of charitable work, but would like to help our Baptist people to understand that there are other aspects of its work also which justify its existence as an institution of our Convention and make it worthy of the support of our churches.

The operating deficit has been eliminated and the hospital is now operating "in the black."

The new patient tower is being completed and some departments have already moved into the lower levels. Complete occupation should take place by January, 1973. One additional unit, a two story unit housing the emergency room and outpatient clinic, is scheduled to be completed by 1973. This will conclude the present development program.

"A Medical Center ministering with skill and understanding" is not just a letterhead slogan; it is a goal which Baptist Hospital seriously strives to attain.

Respectfully submitted,
John C. Hamrick

1972 COOPERATIVE PROGRAM REPORT

The Cooperative Program is a part of the tithes and your offerings given through your church. Thus, your dedicated life with a part of your day-to-day labor goes toward witnessing to a lost world.

The Cooperative Program is sharing your love of God through 6,000 state, home and foreign missionaries. Last year they were instrumental in bringing more than 66,000 people to Christ who in turn followed Him into the waters of baptism.

The Cooperative Program is busy training capable leaders by helping students with scholarships in more than 800 Baptist schools with more than 100,000 pupils around the world.

The Cooperative Program is ministering to the needs of the sick through 21 Baptist hospitals and 105 clinics in many nations. You helped more than 1,000,000 patients last year who could not pay the cost of their care. The Cooperative Program aids in bringing shelter, food, clothing and other necessities of life to 8,000 homeless children plus more than 2,000 elderly people through Children's Homes and Homes for the Aging throughout the world.

Last year 1,020 Baptist churches in North Carolina increased Cooperative Program giving by 10 percent or more over what they contributed the previous year. Did the church where you serve increase this much?

Will you do two things?

1. Will you lead the church where you serve to make a worthy increase in Cooperative Program giving?
2. Will you pray for your missionaries and other Cooperative Program causes each day?

Respectfully submitted,
Carlos Young

1972 REPORT OF THE BIBLICAL RECORDER TO THE ASSOCIATIONS

The BIBLICAL RECORDER is nearing the 100,000 mark in circulation—thanks to churches and individuals all over the state who have helped to bring this about. Once this goal is reached, new ones will be set as part of a continuing effort to put the RECORDER in every Baptist home in North Carolina.

Not only in circulation progress, but in other ways this has been a good year for the RECORDER. During the year, Woodrow W. Hill, well-known pastor and writer, came with the RECORDER as field representative. He will be speaking in associations, churches, pastors' conferences and in other meetings all over the state. Thus he will join the editor and associate editor in seeking to carry the RECORDER message to every corner of North Carolina.

This was also the year that the RECORDER went to computer. Because of the growing circulation, this had to be done.

As it has in the past, the RECORDER seeks to keep North Carolina Baptists informed on important issues. This is a heavy responsibility and the editor and his staff feel keenly the need of your prayers as they seek to be good stewards to North Carolina Baptists. If your church does not have the RECORDER in the budget, or if it does not have a club at all, please take the leadership in seeing that this situation is corrected in the coming year. The RECORDER will be 140 years old next January 18. Those responsible for its publication each week recommit themselves to this important ministry of the printed world.

Respectfully submitted,
J. Marse Grant, Editor
BIBLICAL RECORDER

PIEDMONT AREA REPORT TO THE ASSOCIATIONS
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1972

For the past eighty-seven years, North Carolina Baptists and their Children's Homes have cooperated in a program of Christian child care. This relationship has been characterized, on the part of the agency, by a sensitivity to real needs and a commitment to the best in child care. On the part of North Carolina Baptists, there has been a lasting commitment to child care expressed in generous and enthusiastic support of the agency's ministry.

This annual report finds the agency vigorously pursuing its basic purposes. Changing patterns of family life and the involvement of government in social ministries profoundly affect the number of children needing our care and the types of care needed. More and more we are being asked to serve children with special needs beyond neglect and dependency: emotional alienation from family; trouble with the court; borderline retardation; emotional disturbance which requires professional treatment. The urgency of the present and the challenge of the future is to find effective patterns of care for these children.

The Baptist Children's Homes will not be content to provide minimal care only. We are committed to quality care which serves the whole person, providing the experiences and relationships which can enable the child to develop his full potential. Quality care costs. It makes heavy demands on the individual staff member in his involvement with the child. It requires more staff members for the number of children served. It necessitates the purchase of supplementary professional services, such as medical and psychological specialists. But the cost is really an investment in the future of the children served, and we believe it is the best investment of life and money we can make.

The Children's Homes continues to expand and improve its services to children and their families. Two new cottages are under construction at Broyhill Home. The Ten Star Builders' Program is enlisting the support of Eastern North Carolina for Christian child care in that section of the state. Mills Home is engaged in a year-long study to determine how we can best serve the children in the Piedmont Area. Across the state, renewed effort is being given to the enlistment of foster families. Expanded services to families are being initiated.

We believe this ministry of child care deserves the confidence and support of North Carolina Baptists. Our Baptist friends have demonstrated through their interest and support that they believe in what we are doing. The Cooperative Program continues to be the life-blood of our financial support. The 1971 Thanksgiving Offering channeled $400,000 into our ministry of child care. Special gifts and bequests from individuals continue to provide for capital improvements. We deeply appreciate this generous support, and we pledge ourselves to continue this ministry of child care in the name of Christ and on behalf of North Carolina Baptists.

REPORT FOR 1972
TO
THE ASSOCIATIONS
ON
NORTH CAROLINA BAPTIST HOMES FOR THE AGING

In our Baptist Homes for the Aging, we feel that there is no relationship more important and more blessed than the one that we have with our Baptist people in our Baptist Associations throughout the State. It is a special joy to visit personally the Associations and to have fellowship with the good people who mean so much to us in our ministry and to express to them our special thanksgiving. It is with a deep sense of gratitude to the Lord and to you that we bring this report on our Baptist Homes for 1972.

This has been the best year that we have ever had in our twenty-one years. The Special Offering for the Homes and support through the Cooperative Program reflect an encouraging increase. Through these two vital sources, the Homes during the past year derived almost 30% of the total operating budget in

the care of the residents and patients, with 20% coming from the offering, and 10% through the Cooperative Program. The most significant fact about this support from our Baptist people is that the majority of the residents in the Homes are persons with real financial needs, and these love gifts are used for their care. In fact, these gifts are a lifeline to the residents, and they could not be maintained without them. The greatest challenge to our Baptist people is to continue to increase the Special Offering from year to year, and thus keep pace with the needs of the residents who depend so greatly on it.

Our Baptist Homes now operate five resident Homes, with two located in Winston-Salem, and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents. In addition, there is a Nursing Care Unit, located in Winston-Salem, with a capacity for 63 patients. In these Homes we specialize in tender loving care and do not know of any place this side of Heaven, and outside of one's home, where a person can receive more compassionate Christian care.

Of great significance during the past year, in May, was the dedication of the York Wing of the Nursing Care Unit. This wing, accomodating 18 additional patients was completed in November of 1971 and named in honor of Judge and Mrs. William York, of Greensboro. He and Mrs. York gave $80,000.00 for the construction of this new Wing, and the additional money needed was raised by the Trustees of the Homes. With this new addition, the Baptist Homes have been able to receive some few persons, on a limited basis only, directly as patients. The majority of the beds in the Nursing Care Unit are used for the residents of the five Homes, when nursing care becomes necessary. We are glad that the base of our operation has been broadened to include a ministry to the aging sick person, and we can only hope that we will move forward and be able to receive more patients in the years ahead.

Ministry to an older person is a direct ministry to Christ and is one of the finest things that North Carolina Baptists are doing. Be glad that you are a Baptist, and be grateful for the part that you are having in making the life of an aging person more abundant and more secure.

ASSOCIATIONAL BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation. It was chartered on November 24, 1920, under the laws of the State of North Carolina. As a charitable corporation, it and its donors presently have certain tax savings.

It was created by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies, owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interests. It is not a competitive agency, but a service agency dedicated to the task of undergirding all of our Baptist work.

Any property owner who wishes to do so—Baptist or non-Baptist, resident or non-resident, man or woman, young or old, can use the Baptist Foundation through cash, securities (stocks, bonds, notes, mortgages); real property (farms, woodland, houses, lots); and any and every other kind of property, real or personal. These gifts can be in the form of a living trust, gift annuity, or by bequests in wills.

The Baptist Foundation stands ready at all times to aid individuals in making adequate preparation to use of the foregoing methods in providing for

any agency or institution fostered by the Baptist State Convention of North Carolina, or any of the Southern Baptist Convention agencies or institutions.

When one uses the Baptist Foundation, one is EXTENDING HIS STEWARDSHIP IN PERPETUITY. This can and does bring a great deal of satisfaction and joy to the person who uses the Foundation for this purpose.

If you have any further questions or need a representative to visit you, you may contact The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, North Carolina 27611.

EVANGELISM REPORT

It is exciting what the Holy Spirit is doing through the ministry of evangelism in our state. 6,000 youth and adults in 425 churches have now participated in Lay Evangelism Schools or Pastor's Retreats. Forty-two associations already have confirmed dates for schools. We thank God for this tremendous response to the important emphasis of lay witnessing. This will be a continuing effort in future years.

Over 2,400 pastors and lay persons attended the 26th Statewide Evangelism Conference in Fayetteville last February. Special conferences were held with practical emphasis on different phases of evangelism during the first afternoon session. Outstanding speakers challenged pastors to involve their people in the total ministry of evangelism through the church.

The Division of Evangelism in cooperation with the Department of Communications and the Division of Church Programs sponsored a Statewide Communications, Evangelism and Administration Conference in Greensboro in May. The purpose was to help pastors and others communicate the Gospel of Christ more effectively.

A new week at the North Carolina Baptist Assembly at Southport during June 12-16 was Youth Ministries Week with inspiration and training in Evangelism, Vocational Guidance and Recreation. All evening sessions were centered around Bible Study and a workshop experience in learning how to witness for Christ. Over 600 youth and adults were present for the week. On Friday evening 113 youth made different kinds of public decisions. Next June we will have another Youth Ministries Week.

Almost 20,000 youth, pastors and adult leaders are expected to attend the 2nd Statewide Youth Evangelism Night on August 18 at the Greensboro Colisum

It is evident that God is working through Christian youth today to share His Gospel in a thrilling, significant manner.

Let us rejoice in the excellent reports of revival meetings, city-wide evangelistic crusades and associational evangelism clinics during the past year. It is our hope and prayer that we shall continue to have a strong increase in baptisms this coming year that many more persons may experience Christ by genuine faith commitment.

The 27th Statewide Evangelism Conference will be February 5-7, 1973 at Ovens Auditorium, Charlotte.

Remember to pray earnestly for the leadership of the Holy Spirit in the total ministry of evangelism in North Carolina, our nation and our world.

PLACE AND PREACHER COMMITTEE REPORT

The meeting area for next year is the Kings Mountain area. We recommend that the Tuesday evening session be held with Second Baptist Church, Kings Mountain, and the Wednesday session be held with First Baptist Church, Kings Mountain. These have been contacted and have given their consent.

We further recommend that Brother Ed Sessom deliver the Inspirational Message, Brother Frank Shirley deliver the Doctrinal Message, and that Brother Oscar Funderburke deliver the Missionary Message. We recommend Brother Russell Fitts as Alternate speaker. These have all been contacted, and have given their consent.

Respectfully submitted,
Rev. John T. Edwards, Chairman
Mr. Lloyd Greene
Rev. Archie Chapman

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1973.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1973.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year and therefore we have nothing to report.

Respectfully submitted,

ASSOCIATIONAL SUNDAY SCHOOL REPORT 1972-73

"People who know go to people who need to know Jesus, . . . and that is People to People." All over our convention, as these words are sung, churches catch the spirit of People to People. People-to-People is a church plan for reaching people for Bible study, for Christ, and for church membership. It is a plan for allowing the Holy Spirit to use the church, its organizations, and its resources, to do the thing with evidently He wants to do in and through the lives of individuals. The plan identifies the actions through which this goal may be reached. It challenges the churches to make reaching people first now.

Five basic actions make up the People-to-People plan:

1. Make a commitment to reach people.
2. Go find people.
3. Prepare for people.
4. Witness to people.
5. Involve new people.

This has been the main emphasis of our Associational Sunday School work for 1972-73, and will continue to be so in 1973-74. Will you as a pastor or church leader accept the challenge?

There were two other emphases which held our attention this past year:

1. Our Associational V.B.S. Clinic was held in the Spring at the Second Baptist Church in Shelby with over 40 of our churches participating and over 300 people attending.
2. An Associational One-night Sunday School Revival was held at the Elizabeth Baptist Church in Shelby with over 50 of our churches participating and over 400 attending. The worship service was led by Mr. Burrel Lucas, Director of the Sunday School Department, and Dr. Nathan Brooks, Director of the Division of Church Programs, of the Baptist State Convention of North Carolina. The First Baptist Church of Shelby led us in the music under the direction of Mr. Van Ramsey, Minister of Music. Dr. A. V. Washburn, Secretary, Sunday School Department, Sunday School Board, brought the message of the evening and was honored by our Association for his many years of faithful and loving service to our denomination, association, and state.

   I praise the Lord for the privilege of being able to serve Him in this capacity for two years and I pray you will give your support to Rev. James Adams, your new Sunday School Director for 1973-74.

   The people are available; "lift up your eyes and look." "Look on the fields, for they are white already to harvest. Pray ye therefore the Lord of the harvest, that he would send forth laborers into his harvest." If we do not supply the labor, the harvest will be lost.

Keep the SON Shining
James P. Wall,
Associational Sunday School Director

CHURCH TRAINING REPORT

Our Church Training Program had a good year assisting the other teaching emphasis of our Association.

We did work diligently for a good "M" Night and Youth Night. We felt that our "M" Night was one of the best in recent years with approximately 600 in attendance while Rev. Marion Adams inspired us with a very relevant message. We assisted Rev. Richard Tate, Youth Director of our Association, in providing a meaningful Youth Night. Again we had a well attended meeting in the Bost Gym on the campus of Gardner–Webb College. Rev. James Wall brought a well prepared message of inspiration.

Our Church Training Ministries are expanding to include a ministry to senior citizens and we hope to see some real effective ministry with these dear people in the future.

Our Association has given us growing support and it is our sincere hope that under new leadership the growth in support will be greatly multiplied.

Respectfully submitted,
E. H. Sessom

WMU REPORT

CHANGES–In the past few years we have had changes–we have changed from circles to groups–Prayer Chairman to Mission Support, presidents to directors–on and on I could go and yet we still have the same goal: to reach all people over the world–Teaching missions! And there really have been some changes in our WMU this past year. We began the year with a new director, Mrs. William McSwain. I was her assistant, how pleased I was to work under and with the leadership of such a well-qualified and great leader and most of all a dedicated Christian. This was true of the entire WMU Council.

Each member of the Council took a good long look at her organization and realized there was much to be done. We arranged a leadership conference which was held at Double Springs Church. This conference was well attended, about 300 WMU leaders and members were present. Mrs. Gilmer Cross, our State WMU President was present to lead the Baptist Women; the WMU Council made up the leadership of the other organizations.

From this meeting and the reports we had received we discovered out of the 70 churches in our Association there were 11 without any WMU Organization. During this past year, out of the reports we have received we have had one new organization or reorganization, this being Union. We are truly grateful for these ladies and we know the Lord will bless them in their work. If your church has a new WMU and you have not reported to us, please do so at once.

Our annual spring meeting was held at Temple Baptist Church, Kings Mountain, in April. They were gracious hosts. We again were pleased with the attendance. Our hearts were blessed with the Message of Mrs. Hoyle Allred from Gastonia, who is Second Vice-President of North Carolina WMU. The skits, singing and information from each of our organizations, Mrs. Frank Ledford, Judicial Court Counselor, challenged us to be more aware and concerned about a home for wayward girls in our County. (You heard her here last night.) We came away praising and thanking God for allowing us to be a part of the Christian women of our Association. Without these ladies and their prayers and their help, with the Lord leading, we could do nothing. At the same time our hearts were saddened over the announcement of the resignation of our director, Mrs. McSwain. This was necessary due to the fact she and her family were being transferred from North Carolina to Florida. Her work and her Christian life will be felt in this Association for years to come.

At this point, being the assistant director, the directorship was mine. This last six months has been a blessing and I have learned much. There are so many things to be done, we didn't even scratch the surface. We made many mistakes, but learned from them. We, the Council, will not be satisfied, nor will our work be completed until we have every Baptist woman, Baptist young person and child enrolled in WMU and doing something to complete our task—Teach Missions.

I am looking forward to this new year and working as assistant director to Mrs. Hubert C. Dixon, Boiling Springs, the new WMU Director, and other members of her Council who are as follows:

Baptist Women Director . . . . . Mrs. Robert Sweezy, Double Springs
Assistant . . . . . Mrs. R. E. Price, Boiling Springs
Acteens Director: . . . . . Mrs. Gene Glenn, Beaver Dam
Assistant: . . . . . Mrs. Wayne Russ, Buffalo
Girls in Action Dir.: . . . . . Mrs. Bruce Rabon, Fallston
Assistant: . . . . . Mrs. Forrest Blanton, Poplar Springs
Mission Friends Dir.: . . . . . Mrs. Marvin Hamrick, Flint Hill
Secretary-Treasurer: . . . . . Mrs. Mark Black, Emmanuel

And so we end this year with a little less than 4,000 total WMU members. We still have a long way to go, and I'm sure under the leadership of our WMU Council and the guidance of our Lord, there will be better and greater changes to come. It's said, "If you want something done ask the women." So, women, get busy and enroll the women to go out and spread the Word of God over the world.

MUSIC REPORT

This has been a good year in the area of church music in our Association. More churches are reporting their music personnel on their annual church letters. The music ministry all across our Southern Convention has showed a steady growth for a number of years.

There were several schools of music held across our Association in which personnel from our church music department of our convention and others from our area were used.

Many personal conferences as well as those by telephone have been conducted during the year. Specific suggestions as to the kind and styles of music for special services were made.

There are several youth singing groups in our Association and during revivals and other special emphases, should you desire special music, if you will call me at First Baptist Church, Shelby, I'll make the necessary contacts to assist you. This next year in June 1974, a choir of young people from our county will conduct a concert and missions tour throughout four countries in the Middle East. The purpose is to enhance missions in the eyes and hearts of these young people, some of whom are searching their hearts in answer to God's calling. We ask for your prayer support in this and all phases of the ministry conducted in the Kings Mountain Baptist Association.

Van H. Ramsey
Music Director

CHURCH LIBRARY REPORT

Out of 38 churches having libraries fourteen reports have been received as follows: Number of Books 17,419 with a Circulation of 4,220. Some libraries are still receiving memorial books which is a very fine way to express one's love and admiration for a friend.

Emilie Poulson has said:

"Books are keys to wisdom's treasurer;
Books are gates to lands of pleasure;
Books are paths that upward lead;
Books are friends, come let us read."

MEMORIALS REPORT

Jesus told us in John 14:1, "I go to prepare a place for you."

Paul, in his first epistle to the Corinthians, said, "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."

Jesus, our Lord, has set the example of how a Christian should face the ending of his life. Those whom we remember in this moment made their preparation while they were with us. Therefore, we do not grieve; we rejoice with them in their knowledge of those good things prepared by their Saviour.

Thornton Wilder, in his play, OUR TOWN, has some very relevant words about death and our attitude toward it, and the attitude of the dead toward the living:

> "Now there are some things that we all know, but we don't take 'em out and look at 'em very often. We all know that something is eternal. And it ain't houses and it ain't names, and it ain't earth, and it ain't even the stars . . . . everybody knows in their bones that something is eternal, and that something has to do with human beings . . . . The dead don't stay interested in us for very long . . . . They get weaned away from us . . . . They're waitin'. They're waitin' for something that they feel is comin'. Aren't they waitin' for the eternal part in them to come out clear?"

Our memory of those whom we have known and loved this past year is not yet dimmed. But our hearts rejoice that the "something eternal" in them is now coming out clear. To God be the glory.

Respectfully submitted,
Mrs. Wilson Harmon

CHURCH BEAUTIFICATION

I have had requests from a couple of churches to look at the trees and offer suggestions about their maintenance and care. Let's carefully study these problems and make every effort to save all worthwhile trees and plant new ones where needed for future generations to enjoy. Get your young members involved in this very worthwhile and lasting program and make your church grounds the most beautiful in the area.

Our Cleveland County Historical Society visited many churches on our tours this year and I can assure you that every one appreciates nice, well-kept church grounds.

May we count on you to do your part in this field? Why not make your church grounds the most outstanding in our Association?

Respectfully submitted,
H. C. Wilson

HISTORIAN'S REPORT
Kings Mountain Baptist Association

1973

"Remember the days of old. Consider the years of many generations. Ask thy father and he will show thee; thy elders and they will tell thee". Deuteronomy 32:7

History continues to be interesting and brings its surprises. If you need proof, read the headlines this morning, or last week or last month . . . then read about it again in 1983, or 2003 or 2073. Today's dramatic happenings are tomorrow's history, in government, the middle East, in your church or this association.

After study and consultation, your History Committee recommends the following goals and guidelines for your consideration:

1. A HISTORIAN IN EVERY CHURCH actively compiling day to day, week to week and year to year happenings, and preserving it in an interesting and available form for the future. It is just as important for New Life to record what happened in 1971 as it was for Pleasant Hill to record what happened in 1951, that is the events of their birth and beginnings.

2. MICROFILM EVERY RECORD. It has been about five years since most of our churches microfilmed most of their records. Much more materials have accumulated and should be added to your file. It can be done through Nashville, or through Wake Forest University at Winston Salem.

3. HISTORICAL MUSEUM. The Cleveland County Historical Association, in co-operation with the county commissioners, is studying a plan to create a museum of history for the county, and house it in the present old court house when the new government center is completed. Along with other denominations and churches, this association and its churches should be represented. The story of the churches and the religious happenings are just as important as any secular events. Religious activities have contributed richly to the warp, woof and web of history in this area. Our religious leaders have also been our civic, political and secular leaders.

4. 125th ANNIVERSARY CELEBRATIONS. Mt. Sinai and New Bethel were constituted in 1848 and are this year observing their one and a quarter century anniversaries, just as Shelby First and Boiling Springs did last year. Beaver Dam will be next in 1975 having been organized in 1850, and Pleasant Hill will be 125 years old in 1976. It was founded the year Kings Mountain Association was organized at Double Springs. We need to look back in order to better look forward on these occasions.

5. BI-CENTENNIAL CELEBRATIONS. Old Buffalo and Sandy Run, mother churches to this association, both celebrated their 200th anniversaries last year. The county, state and nation will have a series of events in 1974, 1975 and 1976 for the national Bi-Centennial. Kings Mountain Association's 125th anniversary will coincide with the nation's 200th anniversary. We ought to plan some challenging and inspirational dramas and displays for the coming days.

6. THE BOOK. The book on the history of the association and its churches is still in the making. For a year we had no researcher since Mrs. Traywick left the association, but now we have some help, part time, and are slowly and surely making some progress. It certainly will be published no later than the 125th anniversary year. To our knowledge we will try to add a little patience and love.

Respectfully,
W. Wyan Washburn, M.D., Historian

1973 ASSOCIATIONAL REPORT

Annuity Board of the Southern Baptist Convention

The Annuity Board of the Southern Baptist Convention this year added new benefits or increased benefits for most active and retired pastors, church staff members and denominational workers it serves.

For annuitants (retirees, widows and disabled persons) on the roll December 31, 1972, monthly income checks have been permanently increased by 6 per cent. Just before Christmas, 1972, more than 7,000 annuitants received "13th Checks" amounting to the size of two extra months' benefits. The "13th Checks" are paid in

addition to the regular monthly payments.

Participants in Plans A-10, A-11 and A-25 on January 1, 1973 had their accrued credits increased by 10 per cent in "good experience credit," and Plan B participants received an additional interest credit based on the Board's good experience on its investments. In addition, the Board approved (subject to action by state conventions) an increase in widow benefits under Plan A to 50 per cent of the potential or actual retirement benefit; previously it was 40 per cent. This increase applies to those retiring January 1, 1973 and thereafter.

At the same time, a temporary income benefit under Plan A was established for a widow, child or dependent parent of those who die before early or normal retirement, or after disability retirement, and who have met the required participation. The temporary income benefit can amount, at maximum, to $333.33 per month for 36 months (or a total of $12,000) if the participant died before age 40. The length of payment of the benefit decreases with the age at death. This benefit is payable to those who died January 1, 1973 or thereafter.

More than 9,000 insurance policyholders transferred from the previous Health Benefit Plan with Blue Cross–Blue Shield to the new plan begun January 1, 1973 with Aetna Life Insurance Company

The Board reported several records for its operations in 1972. Funds held in trust for over 38,000 participants in retirement plans passed $300 million for the first time. Investment income reached a new high for 1972 of more than $22 million. Retirement and other protection benefits paid out for the 12-month period surpassed $10 million for the first time.

The total amount of money paid in "13th Checks" exceeded one million dollars, also for the first time. Good investment results in 1972 on funds held to pay benefits account for this dividend.

Income from premiums and dues topped $30 million, another record.

Information on the Annuity Board may be secured by writing Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201

MINISTERS' WIVES REPORT

The Ministers' Wives of the Kings Mountain Association held regular meetings October through May. The theme for the year was "creativity". Two highlights of the year were a Christmas party in December and a Sweetheart Banquet in February, both of which were shared by our husbands. Each meeting during the year was a time of fellowship, inspiration, and prayer for each other and special concerns upon our hearts.

We voted to try something new during the coming year. Our meetings will be on the same day of the month, Thursday after the first Sunday, but will be at 12:00 noon, and lunch will be served. Each church group in the Association will take its turn in hosting these meetings. This arrangement is to be tried so that those ministers' wives who do public work may be afforded the opportunity to attend the meetings on their lunch hour.

A cordial invitation to attend these meetings is extended to all ministers' wives in the Kings Mountain Association.

Respectfully submitted,
Mrs. Julius H. Lee, President

GARDNER–WEBB COLLEGE

Mr. R. Patrick Spangler, Chairman, Board of Trustees
Dr. E. Eugene Poston, President of the College

The history of Gardner–Webb College reads like a miracle book. The school was chartered in 1905 as a Baptist Academy. The Kings Mountain Baptist Association gave birth to the school. The following men constituted a committee to study the feasibility of such a school: the Reverend J. V. Devenny, Chairman; A. C. Irvin, J. E. McBrayer, D. F. Putnam, and A. H. Sims. In the fall of 1907 the first students enrolled. The Sandy Run Baptist Association had already joined the Kings Mountain Baptist Association in sponsoring the school. The school grew strong academically and spiritually. The financial strength was slow in coming–war,

depression, crop failure, and business reverses came and the school struggled hard to live. God did not plan to see the school close. He called many people to come to her aid with prayers, money, food, students, faculty, and administration.

The leaders of the school saw the need of her moving into junior college status and then senior college status. They are now talking of the possibility of a great Christian university in which Jesus Christ can be completely at home in it. There is a need for such a university in the Piedmont Section.

There are 1543 students enrolled for the academic year 1973-1974. A faculty of 94 lead these students to develop themselves as Christian leaders for the 21st Century as well as the remaining part of the 20th Century. "Where there is no vision, the people perish." Gardner–Webb College is looking to the future as a part of the Baptist State Convention of North Carolina and the Southern Baptist Convention. She is extremely grateful for the Cooperative Program. Without it, the college would not want to exist. She wants to be a vital part of the great missionary, educational, and beneficient movements that make up Baptist thrusts around the world. Gardner– Webb College is proud to be a Baptist College and to recognize the Headship of Jesus Christ.

The college lost one of her finest Trustees by death. Mr. G. Wayne DeHart's death brought sadness and joy–sadness, because a great Christian friend was present no longer–joy, because Gardner–Webb College knows that Wayne DeHart won the final victory of Eternal Life. His widow, Mrs. Wayne DeHart, is completing his unexpired term on the Board of Trustees. His son, Ray, is serving as a member of the Gardner–Webb College Board of Advisors.

The College has a debt of $696,226 payable to the First Union National Bank of Charlotte. This is being amortized in the following way: one note, originally $750,000, is being amortized at the rate of $6,195 per month principal and interest, and another note, originally $500,000, is being amortized at the rate of $5,000 per month plus interest.

The current budget is $3,800,000. The fall enrollment assures that the College will operate in the black unless there is a great drop in enrollment for the Spring Semester. We need the prayers and support of all Christians. The Fathers Day Offering is a genuine boost to the academic and spiritual programs.

We always stress the purpose to all whom we contact–"To develop quality Christian students who think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice."

1973
NORTH CAROLINA BAPTIST HOSPITAL REPORT TO THE ASSOCIATIONS

In May of this year Baptist Hospital observed its 50th Anniversary. The hospital opened its doors in May of 1923 "to bring the healing art more definitely under the dominion of the Great Healer."

The anniversary was celebrated jointly with the dedication of the new Reynolds Tower, a 16-story patient care facility. The completion of the Tower brings the total bed capacity to 655, placing Baptist Hospital within the top 10 per cent (in size) among hospitals in the United States. When the renovation of older sections of the hospital is completed the total number of beds will be 717.

Construction has begun on an ambulatory care building which will house the emergency room, several outpatient clinics, the Physical Therapy Department, and an Oncology (Cancer) Clinic and Research Laboratories. This building and the above-mentioned renovation will complete the present Medical Center Development Program.

Last November the Baptist State Convention heard the report of the Committee of 15 and adopted its recommendations. The hospital has been seeking to implement these recommendations:

1. A Medical Center Committee, composed of 8 Trustees from the Baptist Hospital Board and 8 from the Wake Forest University Board, has been appointed. This committee will consider matters involving the Medical Center and its future operation.
2. In January the hospital trustees appointed a committee of three to review appropriations from the Mother's Day fund and assist hospital personnel in making decisions on some specific requests for assistance. The hospital continues to provide care for people who cannot pay, valued at far in excess of the total Mother's Day Offering. The auditors' confirmed value of this care in 1972 was $1,390,000— nearly four times the amount of the Mother's Day Offering—and this does not include the value of physicians' service, provided without cost to these service patients.
3. The Department of Pastoral Care is expanding its services to provide training for lay people. Dr. Mahan Siler joined the staff June 1 to head up this new work. The Department also anticipates the establishment of several sattlelite counseling and training centers in the state, beginning in the near future. Your Cooperative Program gifts support the work of this department.

The hospital's financial operation is "in the black", and there has not been a general room rate increase in 2½ years. As of this date, the Mother's Day Offerings are running ahead of last year.

SUGGESTED 1973 STEWARDSHIP-COOPERATIVE PROGRAM REPORT

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,138 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Four of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1972. These four associationa were: Anson, Flat River, Tar River, and Yates.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?

3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina, P.O. Box 26508, Raleigh, N.C. 27611?
4. Will you help us have a good STEWARDSHIP WORKSHOP in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

Carlos Young

1973 REPORT OF BIBLICAL RECORDER TO THE ASSOCIATIONS

This has been another good year for the BIBLICAL RECORDER, thanks to your support and confidence. One of the milestones reached in the past year was passing the 100,000 mark in circulation. This occurred in May and circulation has now risen to nearly 106,000—the highest in the 140-year history of the RECORDER. This has been achieved largely because more churches are putting the RECORDER in the budget, thus saving money and also time and effort that is put forth each year to renew their subscriptions under the Club Plan of four or more.

All of these things are encouraging to those getting out the RECORDER each week. They feel their obligation to North Carolina Baptists is to get out the finest paper possible—one that is attractive and filled with interesting and helpful material. In addition, news coverage of meetings such as the Committee of 11 is needed if North Carolina Baptists are to settle this issue which has come up in the last two state conventions. Associate Editor Toby Druin has covered every meeting of this committee which is studying the baptism issue in our state. The RECORDER will carry the full report of this committee 60 days before the convention meets in Greensboro. The RECORDER's coverage of these important meetings will do much to help messengers arrive at the right decision in November. This is the Baptist way—full information which comes with freedom of the press.

As you know, the RECORDER has for years led the fight against liquor by the drink. Now the issue is up to the people in a statewide referendum on November 6. The RECORDER will continue to give you information that will help win this fight against the liquor interests and those who would profit from liquor by the drink if this passes—which we hope and pray it won't. If individual Baptists will become as concerned about this evil as the RECORDER is, a great victory for decency will be won in November.

Those of you who receive the RECORDER know what it contains each week—timely editorials, news of your fellow Baptist churches and fellow Christians, excellent photographs and covers, interesting personal columns, Letters to the Editor, and many other features. It is a Baptist family journal devoted to that which is wholesome and helpful.

REPORT TO THE ASSOCIATIONS
PIEDMONT AREA
BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INC.
1973

Christian child care is a creative opportunity. The Baptist Children's Homes of North Carolina is committed to quality care which nurtures the whole person, physically, mentally, emotionally, and spiritually. It is our hope that each child in our care will have the opportunity to develop the full potential which is his by God's creation.

This has been a year of development and constructive change for the Homes.

The entire agency has voluntarily met the minimum standards for child caring agencies and has been licensed by the State of North Carolina for all of our services to children and their families.

Each of the three administrative areas has realized significant growth. In the Western Area, two additional cottages have been completed and occupied at Broyhill Home and construction has begun on the administration building and the recreation building. The Maternity Home continues to operate at or near capacity in its service to unwed mothers. In the Eastern Area, a new cottage is being built at Kennedy Home and the foster care program has been enlarged.

In the Piedmont Area three developments deserve special attention. (1) Mills Home has a new administrative organization. The twenty cottages have been divided into four units of five each, and each unit will have a unit director, two social workers, and the cottage personnel. These smaller units will provide closer working relationships between staff members, between staff and children, and between staff and families. (2) Wall Home at Wallburg has been reopened to provide for a group of boys, utilizing the special skills of the houseparents in an outdoor adventure program. (3) We are negotiating with Baptists in Alamance and Mecklenburg counties for the establishment of emergency care units. These units will be joint ventures between the Homes and the local supporters, with the local group providing the buildings and the Homes operating the program of care.

Three pressing needs are laid on the hearts of Baptists who are concerned for our ministry of Christian child care. (1) We need many families who will open their homes to accept foster children. Any family interested in exploring this Christian service to children should write or call the nearest office of the Baptist Children's Homes. (2) The increase in the cost of food, clothing, supplies and services makes the Cooperative Program and the Thanksgiving Offering all the more important to our continuing services. We need significant increases in both to meet rising costs. (3) Several old cottages remain which need to be replaced with new cottages better suited to present patterns of child care. The development staff welcomes the opportunity to counsel any person regarding his lasting investment in Christian child care.

North Carolina Baptist Homes for the Aging

One of the most meaningful things that you do as a Baptist is the share that you have in the ministry of your North Carolina Baptist Homes for the Aging. As you look back with us upon the twenty-two years of this ministry, and the last year in particular, there are distinctive blessings that we would like to call to your mind and heart.

In the first place, there is no greater realization that we can have together than the awareness of the fact that this special ministry to older people is a venture of faith in God. It always has been. We hope that it always will be. God has brought us from one Home to five resident Homes, with two located in Winston–Salem (Resthaven and the Hayes Home), and one each in Albemarle, Hamilton, and Yanceyville. These Homes have a capacity for 162 residents, and there is a Nursing Care Unit in Winston–Salem, with a capacity for 63 patients, and serving all of the Homes' residents, when nursing care is needed. Four out of every five persons who come to us in our Homes for the Aging are persons whose income is very limited.

They look to you, through your love gifts, for a supplement to their care, and all of us look to the Lord continually for His great love. This, therefore, is a venture of faith.

Never forget that this is your ministry, on behalf of Christ, to older persons and that they simply could not be ministered unto without your love gifts. Specifically, during the past year, through your gifts, you contributed $185 a month for the care of the majority of the residents in your five Baptist Homes. Through the Special Offering you contributed 20% of the total income of the Homes, and through the Cooperative Program, you gave 10% of the total budget needed. The tie that binds this ministry to the hearts of our Baptist people and our Baptist Churches is a very special one and a very distinctive one indeed.

Be glad also for the fact that your love gifts make possible quality care. It has often been said of the ministry of our Baptist Homes that there is no finer care that an older person can receive this side of Heaven than the care given in our Homes for the Aging. Everything that we do for Christ should be this way, and we are certainly trying to give Him our best day by day in our ministry to the older people in our care. There is someone serving around the clock, watching over the residents and patients even as they sleep. One of our Supervisors, or "Mothers," as they are often called was given the name of "Guardian Angel," when a resident, during an illness discovered later that the "Mother" was keeping vigil just outside her door.

God bless you for your share in this ministry to the Aging, which is both special and distinctive. Pray for us, come to see us, and continue to support this ministry as liberally and loyally in the future as you have in the past.

1973 ASSOCIATIONAL BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, Inc., is a charitable corporation, chartered under the laws of the State of North Carolina by the Baptist State Convention in 1920. The Foundation, as an agency of the Convention, encourages, receives, and manages gifts and bequests for benefit of all Baptist institutions, agencies, and causes fostered and supported by the North Carolina and Southern Baptist Conventions. The Foundation is not a competitive agency, but a service agency dedicated to the task of undergirding all Baptist work. It encourages the donor to use the local church as a channel for directing the income from Foundation trusts to the benefiting cause. The operating expense of the Foundation is received from the Cooperative Program of the Convention.

The Foundation Executive Secretary is available to assist churches and individuals interested in a program of perpetual stewardship, particularly as it relates to estate planning, involving gifts to Baptist institutions, agencies, and causes. The Foundation provides a means for establishing trusts to benefit these Christian causes as well as providing an opportunity for perpetual stewardship witness. Through gifts of property, cash, or securities during lifetime, donors and/or other beneficiaries can receive annuities from the Foundation during their lifetime, and can also receive certain tax benefits provided for such gifts.

Responsibilities for the administration of the Foundation is vested in a fifteen-member board of directors elected by the Baptist State Convention. The present board consists of thirteen prominent and successful business and professional men and women and two outstanding pastors, all of whom are dedicated to the best management of the sacred trust funds now placed in the Foundation. The investment policy calls for investment in quality securities with diversification, good income, and balanced growth potential.

Additions to the investment principle by donors and from property sale and rentals totalled $54,204.92 for the fiscal year 1972-73. As of June 30, 1973, the cost or inventory value of all securities, notes, and principal cash of all funds being administered by the Foundation was $801,292.96. Real estate held by the Foundation was valued at $861,167.54, making the total value of all properties administered $1,662,460.50.

During the 1972-73 year, beneficiaries of existing trusts were paid $23,934.61. A total of $129,465.69 has been paid to Baptist institutions, agencies and causes during the past six years from the income of invested Foundation funds.

For information relative to establishment of a trust fund through a gift or a bequest or for details regarding a gift annuity, life income agreements, or charitable remainder trusts, please contact The North Carolina Baptist Foundation, Inc., P.O. Box 26508, Raleigh, N.C. 27611, or telephone: 919-833-1605.

EVANGELISM REPORT

The spirit of evangelism continues to be very much in evidence in the churches of the Kings Mountain Association as it has been the past few years. Several new tools of evangelism are being used and are proving very effective in most instances. The Lay School of Evangelism with its emphasis on personal witnessing has stirred many of our congregations. The bus ministry of evangelism is another new tool being used by some churches, it too utilizes the personal encounter type of witnessing. It seems that nothing can nor will replace the one to one method of winning souls to Christ. As far as Evangelism on a state level, "SHARING CHRIST NOW" was the theme of the 27th Statewide Evangelism Conference at Ovens Auditorium, Charlotte—February 5-7, 1973. Over 2,400 pastors and lay persons were challenged by outstanding speakers to lead their people to become more involved in the work of evangelism. The closing session on Wednesday, February 7, was held at Pritchard Memorial Church, with an emphasis on prayer and personal renewal.

The Division of Evangelism has encouraged churches to participate in KEY 73. One hundred and fifty denominations are sharing in this evangelistic effort. The purpose of KEY 73 is to unite all Christians in the task of evangelism and to enable Christians to confront every person in the United States and Canada with the Gospel of Christ.

It is thrilling what the Holy Spirit is doing through the ministry of our first summer youth evangelism team. Three college students—Steve Stout, Cooleemee; Terry Crouse, Lenoir, and Christy Farrior, Williamston, are leading in music, preaching in youth revivals, and directing youth witness training sessions in churches from Marshall to Washington.

During June 11-15 over 730 youth and adults were present for the Youth Ministries Week at the North Carolina Baptist Assembly, with the emphasis on Evangelism, Vocational Guidance, and Recreation. Eighty-one youth made various decisions, including sixteen professions of faith.

Over 16,000 youth, pastors, and adult leaders are expected to attend the 3rd Statewide Youth Evangelism Night at Greensboro Coliseum on August 17. It is exciting how God is using the witness of thousands of Christian youth across our state in a tremendous manner.

The response of youth and adults to Lay Evangelism Schools in the past twenty months has been outstanding. 9,564 youth and adults have participated in this lay witness training from 720 churches and 34 associations. Also, 107 pastors

from nine associations shared in a Pastor's Retreat to learn how to lead their churches in Lay Evangelism Schools.

The Division of Evangelism in cooperation with the Department of City and Metropolitan Missions will sponsor a Metropolitan Missions and Evangelism Seminar on October 1-2 at Southeastern Baptist Theological Seminary at Wake Forest with the theme: "Reaching the Cities for Christ".

The 28th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 4-6, 1974.

Let us thank God for the excellent reports of revival meetings, city-wide crusades, and evangelism clinics. Remember to pray for the TOGETHER WE ADVANCE emphasis that we may strive to attain a 10% increase in baptisms, C. P. gifts, Bible Study enrolment and Assoc. Missions gifts. Let's go tell about Jesus!!!

A unique feature of First Bapti Church is a house provided for Foreign Missionaries on furlough. Each year different missionary is in residence.

SECOND BAPTIST CHURCH

Second Baptist Church began as a community Sunday School led by Mr. J. R. oberts, Superintendent of Cora Cotton Mills, in 1914. It was constituted as a issionary Baptist Church in 1915. There were 27 Charter members and the name Eastside" was chosen for the new church. The church was admitted to the Kings ountain Baptist Association in 1915.

The first building was a one room school house located off Cranford Drive, onated by Dr. O. G. Falls. In 1922 a brick veneer building was erected on inwood Drive across the street from the present location. In 1953 the present ructure was raised.

In 1923 the church changed its name to the Second Baptist Church.

The church has had 13 pastors in its history and has ordained some 8 men into ie ministry, all of whom now pastor churches in North Carolina. The present astor, Reverend Eugene W. Land, has served since 1970.

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1974.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1974.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year, and therefore, we have nothing to report.

SUNDAY SCHOOL REPORT

Churches have learned to use the Sunday School to reach people, to teach them the Word, to win them to Christ, and to enlist them in Christian service and stewardship. The Associational Sunday School organization exists to help the churches improve their own Sunday School work.

One church, Zoar, requested the aid of the Sunday School organization, and on September 16 leadership was provided for a one night training school.

Rev. Curtis Bundy, Outreach Director, promoted Reach Out through the Pastors Conference and a mail out to each church. Reach Out is People-to-People in action. This special church project emphasizes reaching people for Bible study and for Christ. Reach Out helps churches use and apply the five basic actions of People-to-People to experience a new spirit and to discover a new dedication in going out to the people.

The Vacation Bible School Director, Bruce Rabon, led in conducting two Vacation Bible School Clinics: one for our Association and one for the Ebenezer Association.

During 1974-75 and 1975-76 Sunday School will focus on Adults. Adult Worker's Clinics for our association will be conducted early in 1975. The Clinic leaders have been enlisted and attended a training session in Charlotte on October 1, 1974.

As long as the Sunday School is the out-reach arm of the church, it must maintain a primary position among the organizations. We must reach, teach, win, and enlist not merely to attain goals, but because there are scores of unsaved persons around our churches and we should be the bearers of the Good News.

Rev. Gene Waterson has accepted the position of Sunday School Director for next year. As we look forward to a new year in Sunday School work, we do so with the prayer that he and the other officers will have the support of the association and the churches as they attempt to lead all Sunday School members to become more faithful stewards of the talents that God has invested in each Christian. The

world lies before us. There are many to be won, many to be taught, many to be developed. That God will direct the new officers in this important task, is our prayer for the year that lies ahead.

Respectfully submitted,
James F. Adams
Association Sunday School Director

CHURCH TRAINING REPORT
October 1, 1973—September 30, 1974

The Kings Mountain Associational Church Training Program has concluded another year, but let us not be satisfied with what we have done, but let us work harder to try to accomplish more for the training of christians next year.

The Association observed "M" Night at Elizabeth Baptist Church this year. This was a very successful meeting. The attendance was good and Rev. Eugene Land brought a most inspiring message to the group.

At the request of Zoar Baptist Church a Leadership Training Clinic was held this year. This was a one evening event with the Associational Leaders assisting in this work.

The Church Training Program will still have the responsibility for three very important task in the work of the church:

(1) New Members Training (Orientation)
(2) Church Member Training
(3) Leadership Training

We would urge each church to study the Training Program and seek to begin new units of organization, thereby adding a variety of training opportunities in order to more effectively meet the training needs of every member and leader.

Dr. Phillip Harris has said, "Training is not optional for a church if it is to do the work inside the church necessary for conducting its outside work in the world. The world is waiting and we must train as we accept the call to go. The church that trains its members will have success in serving God in and outside the church building."

The Associational Church Training Leaders hope to provide a year of training opportunities and fellowship that will be worthy of the attention and the attendance of all members of our church training groups. It will be a pleasure this year to assist any Church Training Program you have, if you will call upon us. Our Church Training Director, Mr. Fred Leigh, stands ready to receive your request; and all of the Associational Officers and Leaders stand ready to assist him in any way.

Respectfully submitted,
Broadus E. Heatherly

ASSOCIATION BROTHERHOOD REPORT

OCT. 1973—OCT. 1974

On Nov. 20, 1973 at 7:30 P. M. the brotherhood and W. M. U. of the Kings Mtn., Baptist Assoc., held a joint missions rally at Fallston Baptist Church, Fallston, N. C.

The speaker, Rev. Bruce Clampett, Pastor of Bethel Baptist Church, Shelby, N. C. brought a very inspiring message on missions that challanged us to get active in the Lords work.

After the meeting the host church invited us to have refreshments with them. There was a real good time of fellowship.

Then on March 28, 1974 at 7:30 P. M. the Brotherhood of the Kings Mtn., Baptist Assoc. held an Associational meeting at Elizabeth Baptist Church, Shelby, N. C.

Their Pastor, Rev. Fred A Mauney, welcomed us and led in prayer.

Our speaker, Carlos Young, brought to our attention a mission project, that he thought worthy of our support.

He gave us information on what facilities we have in our state for the benefit of our handicapped children. He pointed out the fact that the State of North Carolina does provide many things for them but one thing the state dosen't furnish is a chapel in which to worship God.

If the people will build a chapel at Western Carolina Center, Morganton, N. C. the state will maintain it.

The estimated cost to build this chapel is $150,000, a part of which has been given by those associated with this School at Western Carolina Center. After we discussed this need for a chapel, Rev. Fred McGehee made the motion "that the Brotherhood of the Kings Mtn. Baptist Asso. lead in the raising of funds for a chapel at Western Carolina Center, Morganton, N. C."

The Brotherhood passed the motion and presented it to the next General Board meeting of Kings Mtn. Baptist Assoc. for their approval. They approved it and the cash response at this time is $2,680 from sixteen churches that have reported.

Thank you that have already responded to this mission project and thanks to those who will respond.

Another matter of business at this meeting was the choosing of a motto for our brotherhood.

The motto suggested and approved was "LET EVERY MAN STAND IN HIS PLACE."

We have made some progress this year but may we make much more as we go forward as Ambassadors for Christ as individuals and as a brotherhood, yeilded and sensitive to the Holy Spirit, trusting the Grace of Jesus Christ to help us stand in our place.

Respectfully submitted,
Fred F. Wells
BROTHERHOOD DIRECTOR

WOMAN'S MISSIONARY UNION REPORT

At the Kings Mountain Association meeting last year, plans were announced for a telephone poll to be conducted by the women concerning the liquor-by-the-drink vote scheduled for the first week in November. Perhaps these efforts were worthwhile. At least the measure was defeated.

Special meetings of the year were teaching of age-level manuals at Elizabeth Baptist Church; annual meeting at Boiling Springs Baptist Church with Miss Kathryn Bullard of the State W. M. U. office and Rev. W. T. Roberson, missionary to Vietnam, as guest speakers; and Leadership Training Conference at Pleasant

Ridge Baptist Church in September. All meetings were well attended.

Age group meetings have been held by Baptist Women and Baptist Young Women, Acteens, Girls in Action, and Mission Friends. The W. M. U. Council has met regularly for planning, and members of the Council have visited in many churches for teaching mission studies, presenting programs, and training leaders. The W. M. U. NEWS, quarterly mail-out, begun last year, has been a very helpful way to get information directly to church leaders.

At the state W. M. U. Convention in Winston-Salem in March, our organization was recognized as a Distinguished W. M. U., the highest rating possible. While we are proud of our achievements, we are aware of all that needs to be done.

Because of an anti-pornography bill in our state legislature last spring, I was asked to secure a committee in our Association for special work in this area. To the existing Christian Life Committee were added Mrs. Cline Borders and Mrs. N. Joe Wright. Under the leadership of Rev. Paul Millwood this committee met several times. Their work and plans include several concerns of Christians in the county.

The W. M. U. Council is composed of the following:

Director ..... Mrs. Hubert C. Dixon, Boiling Springs
Assistant Director ..... Mrs. DeMar Boyles, Shelby, First
Baptist Women Director ..... Mrs. Robert Sweezy, Double Springs
Assistant Baptist Women Director ..... Mrs. Bonnie Price, Boiling Springs
Baptist Young Women Director ..... Mrs. John Cabiness, Double Springs
Assistant Baptist Young Women Director ..... Mrs. Dean Ledford, Zoar
Acteens Director ..... Mrs. Gene Glenn, Beaver Dam
Assistant Acteens Director ..... Miss Jeanne Jones, Beaver Dam
Girls in Action Director ..... Mrs. Oren Wyatt, Poplat Springs
Mission Friends Director ..... Mrs. Marvin Hamrick, Flint Hill
Assistant Mission Friends Director ..... Mrs. Stephen Earls, Flint Hill
Secretary-Treasurer ..... Mrs. Mark Black, Emmanuel

Our emphases for the year are Love Thy Neighbor and TIME (Training in Missions Education). We join other church organizations in carrying out the denominational theme of "Share His Love Now."

We should like to organize some work in the nine churches not having any missions organizations at the present time.

Seven members of the Council attended part of W. M. U. Conference at Ridgecrest in August. Nine attended special leadership training at Mundo Vista in September.

On September 19 we had the annual Leadership Conference at Pleasant Ridge Baptist Church with approximately 250 in attendance.

Baptist Young Women will have a meeting at Double Springs Baptist Church on November 5.

Various church groups are planning for Baptist Women's World Day of Prayer observances on November 4.

Other emphases for his quarter are Foreign Mission studies, Week of Prayer, and Lottie Moon Christmas Offering.

Respectfully submitted,
Mrs. Hubert C. Dixon

MUSIC REPORT

This summer several young people from our churches conducted a missions tour to Colombia, South America, in cooperation with the Foreign Mission Board of our Southern Baptist Convention. We worked with 15 missionaries during our stay and were able to see and be a part of their work. Our resolve to pray for them came after we witnessed the conditions under which they must minister. These men and women deserve every commendation we can afford them. We sang 21 concerts in ten days. In one area we sang 14 concerts in four days. Over 8,000 gospels of John were distributed in army bases, parks, clubs, and every other place we were privileged to sing. We feel the missionaries used our coming and our time there to unlock many doors which will make their work there more effective in the time to come. These young people are available to share these experiences in your churches. Please call me at First Baptist Church, Shelby, and arrangements can be made.

Of great importance this year is our School of Church Music scheduled February 10-13 at Elizabeth Baptist Church. All music directors will be contacted shortly to enlist their involvement and that of their choirs. The music department of our State Convention will be leading the School in addition to five other leaders from outside our association. There will be small classes of instruction and the last hour will consist of a Choral Workshop where everyone will come together under a director, forming a large choir.

Any way the Church Music leaders of our association can assist your church, we'll be glad to. Please call us.

Van H. Ramsey,
Music Director

CHURCH LIBRARY REPORT

Out of the fifty-five churches having libraries, I have received reports from nineteen showing a total of 22,403 books and a circulation of 8,517. This is fine, but I think we need more reading among our members if possible.

Pastors and leaders, please encourage your members to make greater use of your libraries.

I realize there are many things to do to occupy our time and efforts, but do try to find time to read more.

Respectfully submitted,
LaLene Grigg

BEAUTIFICATION REPORT

During the year I had occasion to visit 8 church groups for suggestions on beautification of the grounds. We did tree pruning on three of these, and gave suggestions for tree planting on the other grounds.

MEMORIALS REPORT

John, the beloved Disciple, wrote in Revelation: "And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them." Revelation 14:13.

Paul said in Philippians 1:21 it would be "gain" for him to die.

In I Corinthians we read "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love him."

Catherine Marshall in her book BEYOND OUR SELVES tells of a mother being asked by her child what death is like. To this her reply was that it was like your falling asleep on the sofa or in your parent's bed and next morning waking up to find yourself in your own bed. While you slept your father gently picked you up and placed you in your own bed where you awakened next morning. So it is for the Christian in death we fall asleep and God gently sees that we awake in his heavenly home.

What a host of those who have overcome the world through trusting in Jesus as their Lord and Saviour await us in the great beyond! What glorious reunions there will be when we are gathered with them. We honor today these who have gone on, but have left for us great examples of worthy living, great lives of trusting in the Lord, faithful service to help us and many others be prepared for the home going. Their going is a challenge to us to be prepared to meet our Maker, their death is a trumpet call to us to help others to know of the Living Lord that they, too, may be ready when their summons comes.

These loved ones of ours, these leaders, have gone to the home Christ said he would go to prepare. We miss them, but we would not call them back. They have found victory in Christ Jesus. God is glorified by the Christlike lives of soul-redeemed men. We are blessed by their examples and their showing us the way.

Respectfully submitted,
Mrs. Frederick J. Swift

GENERAL BOARD REPORT

HISTORIAN'S REPORT TO THE KINGS MOUNTAIN BAPTIST ASSOCIATION
October 22, 1974

Exodus 13:3 reads in part, "And Moses said into the people, 'Remember Ye this day in which ye came out of Egypt—' "

As in days of old when Moses told the children of Israel to remember their troubles and trials in Egypt, the Association is also involved in a project to remember it's troubles and trials in 125 years of recorded history. This project had been somewhat hampered by lack of secretarial help and a person to do research until recently when we obtained the services of Mrs. Charlotte Tedder Swift, who will continue the research and secretarial work begun by Mrs. Othella Traywick, who moved away with her preacher-husband.

The ark is moving again and we are now researching the difficult period of the late 20's and early 30's and soon hope to bring the story of the Association on up to World War II and the 60's and 70's.

This will be a four-fold book: (1) a story book, and we're getting many stories in addition to the factual minutes of the Association, (2) a picture book, and we are obtaining the services of a qualified photographer to help us gather and evaluate the photographs, (3) a teaching book in which we can teach the younger generation the facts and doctrines of our Baptist people (4) a reference book which will have documented facts of the past 125 years.

As your historian, I was pleased to note that at the recent selection of ten famous Cleveland County people to the Hall of Fame, that seven of the ten were Baptist laymen, a laywoman, and a minister, who for 40 years was moderator of this Association. For the Association to furnish the county with 7 out of 10 of it's most famous leaders, speaks well of the Association, of the county, and certainly of it's leadership.

There have been many changes in current leadership and many ventures into new kinds of programs in the various churches, and a factual summary of these happenings will be filed with the historian's report.

W. Wyan Washburn, M. D., Historian

Be it resolved that we, the messengers to this 124th Annual Meeting of the Kings Mountain Baptist Association:

Express our appreciation to the host churches, Second Baptist of Kings Mountain and First Baptist of Kings Mountain; to pastors and staff members and to helpful groups of workers who so graciously served as we used the facilities of their churches.

Express appreciation for the bountiful meal to churches of the Kings Mountain

group: David, Eastside, Faith, Kings Mountain, Kings Mountain First, Kings Mountain Second, Macedonia, New Camp Creek, Oak Grove, Oak View, Patterson Grove, Piedmont, Temple and Westover.

Express our thanks to the Order of Business Committee for an inspiring and informative program: to pastors Russell Fitts, Frank Shirley, and Oscar Funderburke for timely messages, and to denominational representatives Burtt Potter and Robert Abrams for their helpful messages.

Commend Moderator Roland Leath and Vice Moderator Eugene Land for their efficiency in guiding us through this session, and to Clerk Joseph Cabaniss for his accurate recordings of the proceedings.

Acknowledge the good work of all officers and committees who served during the past year, and covenant to pray for and work with those elected for the new year.

Express appreciation to Cline Borders for his leadership as Superintendent of Missions as he has planned, guided, trained, and projected ideas for the future, and to Mrs. Thomas Petty, office secretary, for her constant help.

Recognize the public service rendered by the following news media: radio stations WOHS, SADA, and WKMT; and newspapers THE SHELBY DAILY STAR, CLEVELAND TIMES, KINGS MOUNTAIN MIRROR-HERALD.

And, be it resolved that we of the Kings Mountain Baptist Association continue through our churches to spread the Good News to all men everywhere.

Respectfully submitted,

MINISTERS' WIVES AUXILIARY REPORT

1974

The Ministers' wives of the Kings Mountain Association held monthly meetings during October through May. The theme of the year was "Yak and Snak". There were two highlights of the year—our Christmas and Valentine parties to which our husbands were invited.

Our meeting date is the Thursday after the first Sunday at 12:00 Noon with a lunch served by our hostesses and a time of fellowship. The response has been great. We extend an invitation to all ministers' wives of the Kings Mountain Association.

Respectfully submitted,
Mrs. Sam S. Snyder, President

1974 ASSOCIATIONAL REPORT
Annuity Board of the Southern Baptist Convention

The Southern Baptist Convention Annuity Board paid out a record nearly $16 million in retirement and protection benefits during 1973. This means that in the Board's history, it has now paid out over $100 million in retirement and protection benefits.

More than 9,000 retired pastors and other church-related vocational workers or their widows receive the benefits.

In addition, the Annuity Board set another record. This one was for funds held in trust for those participating in retirement and protection plans while still in active service. About 38,000 pastors, other church staff and denominational agency employes are included.

Funds held in trust exceeded $350 million for the first time, President Darold H. Morgan reported.

The Board issued another 13th Check, or extra benefit, for annuitants shortly before Christmas 1973. It amounted to two extra months' worth of benefits and totaled $1,187,379. The 13th Check helps annuitants, whose benefits are fixed, to meet the rising cost of living. Payment of the 13th Check is over and above the 12 contracted monthly benefits and depends from year to year on investment income.

Board officials and national market experts expected the investment picture to brighten in 1974 after a poor performance in the general stock market in 1973 resulted in a deep cut in income from investments. Investment income declined tc $10 million in 1973 after hitting a record of more than $22 million the year before.

The Board's decline inequity, or stock, investments paralleled the decline in the market generally, which affected all other types of investors as well. The major market indicators—Dow-Jones, Standard and Poor, and Value Line—all were down during the year.

By comparison, the Board's investments in mortgage loans and real estate leasebacks proved to be profit-making for the year. In an effort to continue earning from real estate investments, the Board announced a new type of Plan C investment called land equity loans. Plan C is the Board's variable benefit plan, which supplements the basic retirement program, called Plan A, for ministers.

Additional information on the Annuity Board may be secured from Development Office, SBC Annuity Board, 511 North Akard Building, Dallas, Texas 75201.

As of September 25, 1974, there were 58 churches and 71 staff members participating in the Southern Baptist Protection Program (retirement plan), in Kings Mountain Association.

Respectfully submitted,
W. P. Biggerstaff

REPORT OF CHRISTIAN LIFE COMMITTEE
KINGS MOUNTAIN BAPTIST ASSOCIATION
OCTOBER 21, 1974

As Chairman of the Christian Life Committee of Kings Mountain Baptist Association for the year 1973-1974, I express appreciation to the committee members for their serving on the committee. Also, I express appreciation to Mrs. N. Joe Wright, Lawndale, and Mrs. Cline Borders of Shelby. These two ladies served along with the Christian Life Committee, being appointed by the Associational W. M. U. to form an Anti-Obscenity Committee. Further, I express appreciation to our Superintendent of Missions, Rev. Cline Borders for his leadership and help with our committee.

The work the Committee has been engaged in since the last meeting of the General Board is as follows:

1. A luncheon was held on August 8, 1974, at the Charles Hotel of Shelby, in honor of the Summer Youth Workers in the Kings Mountain Baptist Association. There were a total of fifteen present. These included Rev. Paul Millwood, Rev. & Mrs. Cline Borders, Mr. T. S. Putnam and eleven youth workers. During the time together the workers responded to many questions relating to this church related work experience. Appreciation was expressed to the youth workers for their help.

2. On October 7, 1974, the committee along with other interested citizens appeared before the Cleveland County Commissioners. The Commissioners were asked to consider and hopefully adopt an Ordinance for Cleveland County pertaining to the "Display, Consumption or Sale of Alcoholic Beverages." The Commissioners received the request very favorably and if it is legal plans to adopt such an Ordinance.

3. Based on dissatisfaction with many of the current T. V. Programs, the Committee agreed to write Mr. Clyde McClain, WBTV, Charlotte, N. C. And express appreciation to him for inviting response to T. V. programs, and request information as to the exact procedure for responding. Mr. McClain responded to the request with a copy of the editorial. The editorial appared in the Baptist Beacon dated October 15, 1974. The committee felt many people in our Churches and Community would appreciate this opportunity of knowing how to respond concretely to this situation.

Paul C. Millwood
Chairman

EVANGELISM REPORT

Evangelism is not just the care of our task as Christian Churches but Evangelism IS our task. Sometimes we make the statement that the two-fold responsi-

bility of the Church is to win souls to Christ and nurture them in the faith but evangelism encompasses both of these. We are grateful for a continued interest in all our Churches to win the lost, least and last to Christ.

In our state, the continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past thirty months 11,032 youth and adults have shared in this lay witness training from 855 churches and 44 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools.

"SHARING HIS LOVE AND SPIRIT" was the theme of the 28th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro—February 4-6, 1974. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

God is greatly blessing the evangelism ministry of our three summer youth evangelism teams. Nine college students are leading in music, preaching in youth revivals, and directing youth witness training sessions among 27 churches from Pisgah Forest to Edenton.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 10-14 for about 700 youth and adults with the emphasis on evangelism, vocational guidance recreation.

About 15,000 youth, pastors, and adult leaders attended the 4th Statewide Youth Evangelism Night—August 16—at the Greensboro Coliseum. Richard Hogue, Evangelist, Houston, Texas, was the guest preacher, and Darcy and Sharon Hodges were the guest solosists. Christian youth continue to share a strong witness for Jesus Christ across our state.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 29th Statewide Evangelism Conference will be at War Memorial Auditorium, Greensboro, during February 3-5, 1975.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

Eugene W. Land
Director of Evangelism

GARDNER-WEBB COLLEGE

R. Patrick Spangler, Chairman, Board of Trustees

E. Eugene Poston, President of the College

Sixty-nine years ago the Boiling Springs High School received a Charter from the State of North Carolina. The Charter was the result of a study and recommendation made by a Committee of the Kings Mountain Baptist Association.

Sixty-seven years ago the first students entered the high school. The first two years of college work were begun in 1928. The senior college status was reached in 1971.

Gardner-Webb College is fully accredited by the Southern Association of Colleges and Schools. The College is also accredited by the North Carolina Association of Colleges and Universities.

There are 1585 students enrolled for the present school year, 1974-75. The Cooperative Program monies make the difference between quality Christian edu-

cation and mediocre education. The entire Gardner-Webb Family is deeply appreciative of the Cooperative Program and will continue to promote it. The Fathers Day Offering goes into student aid for needy Baptist students.

The Sandy Run Baptist Association joined the Kings Mountain Baptist Association in 1907 in supporting the high school. The College became a part of the Cooperative Program of the Baptist State Convention of North Carolina in 1946.

A dedicated faculty numbering 94 lead the students in finding the will of God for their lives. The faculty, the administration, and the staff total 187.

The College lost one of her most dedicated Trustees by death. Mr. Garrie L. Kendrick finished his work on earth January 7, 1974. His family has established a scholarship in his memory.

There is a debt of $1,582,847 on the College at this time. It is being amortized monthly. The current budget is $4,108,635. The College closed the last fiscal year in the black. However, extreme caution is being used to avoid a year closing in the red. These are difficult days financially for Baptist Colleges.

Gardner-Webb College puts service to the Baptists in the spirit of Jesus Christ as her first priority.

BAPTIST HOSPITAL REPORT, 1974

In spite of the growth in size and complexity at your Baptist Hospital, the emphasis is still upon"ministering with skill and understanding". Evidence of this is a typical patient's remark recently: "From the head surgeon to the aide who handed me a glass of water, with all the doctors, nurses, people in the business offices and chaplains in between, I was cheerfully given every personal consideration."

Changes and additions continue to be made for the purpose of providing better hospital care. Renovation of the Progressive Care Unit has been completed, and the South and West Wings of the hospital building are now being renovated. Construction of the Ambulatory Care Unit is well under way and is scheduled for completion in the spring, or early summer, of 1975.

New discoveries continue to make possible better medical care. For example, a new EMI-Scanner is to be installed and is expected to be in use before the end of this year. This device, which combines the use of x-rays and computors, will make it possible to detect brain tumors, blood clots, and strokes more accurately and more quickly. Scans can be completed in about 30 minutes and the results can be available in another five minutes. There is no risk or discomfort involved, and the patient does not have to be admitted to the hospital.

New approaches are also being made in the hospital's ministry to the emotional and spiritual needs of people. The Division of Human Enrichment and Development, in the Department of Pastoral Care, is conducting retreats, seminars, and workshops designed to help appropriate the resources of the Christian faith to the various areas and experiences of life. The Pastoral Care Department has also opened its first satellite center, in Fayetteville, to offer counseling and training to people in that area. Your Cooperative Program gifts help to support these ministries.

The School of Nursing graduated its last class in May. The school has been in the process of phasing out for the past three years, as the result of a trustee decision made in 1971.

In January the hospital had its only room rate increase in the past three and one half years. Nevertheless, the hospital continues to operate "in the black". The 1973 Mother's Day Offerings amounted to $375,000. At the time of this writing, our 1974 Mother's Day gifts are running ahead of the same time last year. These

gifts are used to assist patients with the most urgent financial needs. A special committee of five Baptists from the Winston-Salem area assists personnel from the hospital Business Office and the Department of Denominational Relations in administering these funds.

Your hospital staff, and the people they serve, are grateful for your interest, your prayers and your financial support.

Respectfully submitted,
Calvin S. Knight, Director
Denominational Relations

1974 STEWARDSHIP-COOPERATIVE PROGRAM REPORT

More than 5,000 missionaries at home and abroad depend on gifts through the Cooperative Program for a salary each month. Over 3,000 of these have a basic ministry of evangelism, with all of the others using their skills as nurses, teachers, doctors, etc. to meet human needs in order to bring these to Christ. Through the Cooperative Program you are helping the widow, the homeless child, the homeless aged, the sick, plus the ministries of preaching and teaching.

Increasing the percentage given through the Cooperative Program is an excellent follow-through for the special offerings your church receives.

Failure to have a good follow-through, in anything, would be frustrating at the least and tragic at the most. Failure to have a good follow-through when you are fishing would cause all of your fish to get away and this would be frustrating. It would be tragic not to have a good follow-through in a baptismal service.

A good follow-through is the lifeline between good planning and good results. You will get excellent results if you plan well your special offerings and let your major emphasis be on the lifeline: YOUR COOPERATIVE PROGRAM.

Would your church give more if you received more money? If so, you need to have a thorough stewardship program in your church.

Last year 1,236 churches increased Cooperative Program giving by 10 percent or more over what they gave the previous year. Two of the associations in North Carolina had 100 percent of their churches giving through the Cooperative Program in 1973. These two associations were: Flat River and the Tar River.

Will you do four things?

1. Will you lead the church where you serve to increase Cooperative Program and associational mission giving by 10 percent or more?
2. Will you have a special prayer for your missionaries and other Cooperative Program causes during each service in your church during the October Cooperative Program prayer month?
3. Will you send your check for Cooperative Program EACH MONTH to Baptist State Convention of North Carolina, Post Office Box 26508, Raleigh, North Carolina 27611?
4. Will you help us have a good STEWARDSHIP WORKSHOP in your association next spring or summer, so we can: (1) Study recommendations for pastor and staff salary increases; (2) Get an overview of available program helps for each church in stewardship; and (3) Receive a report on where you are in YOUR GOALS for associational and Cooperative Program giving?

1974 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

The BIBLICAL RECORDER is grateful for another good year, although these are difficult days for religious publications. Some have had to go out of business while others are squeezed by rising costs. The RECORDER has not escaped the pressures of inflation. For example, paper has risen 61 per cent already this year—and the end is not in sight.

Even so, the RECORDER has been in business for 141 years and expects to continue. A few changes have to be made, however, to keep the paper strong. As staff members have resigned or retired, they have not been replaced. Some weeks the number of pages has to be reduced to save money, but readers have been very understanding.

Despite some problems, the RECORDER is enjoying its highest circulation in history—more than 111,000—thanks to the continuing support of the vast majority of Baptist churches in the state. These churches and their members remember the part the RECORDER played in the overwhelming defeat of liquor by the drink last November. This is probably the most significant story that the RECORDER has reported since the associations met last year. You will remember that approximately 70 per cent of the voters in the state voted against liquor by the drink and it was defeated in 97 of 100 counties. This should take care of this issue for awhile.

The RECORDER will continue its emphasis on local church coverage, seeking to deal with problems that every church has. Naturally, we are prejudiced, but we do not believe any publication can take the place of the BIBLICAL RECORDER. If your church does not send it to every family, may we ask a simple question: Why? At a cost of only a nickel a week for each family, this is the best investment a Baptist church can make. Put the RECORDER in the budget before it has to increase the rate because of inflation.

Respectfully submitted,
C. C. Crow

CHILDREN'S HOMES

1974

Christian child care is a shared adventure. We proceed by faith to build a helping relationship with children and their families in need. We cannot know in advance the final outcome, but we are confident of God's power to work in these relationships for reconciliation and healing.

Much has happened this year to strengthen the foundations for our ministry of child care. The recreation and administration buildings at Broyhill Home are nearing completion. A cottage and two staff residences at Kennedy Home will soon be dedicated. A challenge gift of $100,000 has been received for the development of Greer-Burris Home at Chapel Hill.

"The Mountain Within", a thirty-minute 16mm sound picture, has been filmed to tell the story of the Children's Homes. It was premiered at the Piedmont Area conference September 12. Following extensive use on statewide television broadcasts, it was released for showings to churches, associations, civic clubs, and other interested groups October 1. Place your order for the film through the Department of Communications of the Baptist State Convention.

Our Piedmont Area services have expanded significantly during the past year. Mills Home continues to provide the highest quality group care to more than two hundred school age children. Wall Home has pioneered with an exciting outdoor high-adventure program for a group of teenage boys. Our first Emergency Care Home opened in Burlington May 21, and a similar home was opened in Charlotte in late summer. These two homes represent a cooperative venture with the Mount Zion and Mecklenburg Associations to provide emergency care on the local scene. New foster homes have been licensed and have increased the number of foster home children in care.

The continuing good will and generous support of our friends throughout the State make possible this vigorous and progressive ministry of child care. During the past year, North Carolina Baptists gave more than a million dollars to Christian child care in the North Carolina Baptist Children's Homes through the Cooperative

Program, the Thanksgiving offering, and designated gifts and offerings. Rising cos and the need for expanding services challenge all of us—staff and supporters—t continue our investment in the shared adventure of Christian child care.

North Carolina Baptist Homes for the Aging

As a Baptist, among the many vital ministries that you support are your North Carolina Baptist Homes for the Aging. For over 23 years now, you have had a par in serving hundreds of older people and making life much happier and secure fo them. You have done so through two very helpful means of income: (1) Th Special Offering for the Homes, received on the 3rd Sunday of February each year (2) The Cooperative Program. Gifts through these two sources have increased fron year to year, and offerings for 1974 will perhaps exceed $350,000, providing mor than 30% of the budget needed to operate 5 resident Homes and the Nursing Car Unit.

God, through you, has blessed this ministry of our Baptist Homes in a remarkable way, leading you to establish two Homes in Winston-Salem, Resthaven, and the Hayes Home, and the Nursing Care Unit, and three other Homes at Albemarle Hamilton, and Yanceyville. In these Homes, 4 out of every 5 residents depend upon your love gifts and simply could not be cared for without your help.

Of greatest significance during the past year, has been the decision by the Trustees of the Homes to establish a 6th Home in Western North Carolina, to be located in the city of Asheville on the Pearson Estate, a magnificently beautiful twenty-one acre site, overlooking the city, and with the gorgeous Blue Ridge Mountains in the background. A dedicated group of people in the Western Carolina area have organized the first initial phase of what will become, it is hoped, a major State-Wide fund-raising effort to obtain the necessary money to build this proposed Home, after approval by the General Board, and the Baptist State Convention. Church groups are encouraged to visit the beautiful site on which the proposed Home will be built, and will be served lunch, if an appointment is made in advance.

With the addition of a 6th Home for the Aging, with the spiraling cost of living, and the great and everincreasing needs of older people, it is most urgent that our Baptist people be more generous than ever before in support for the Homes through the regular channels of the 3rd Sunday of February Offering, the Cooperative Program, and an over and above gift for the Western North Carolina Home.

Ministry to an older person is a direct ministry as unto Christ Himself and is most pleasing to Him, we are sure!

SOUTH MOUNTAIN BAPTIST CAMP
1974 REPORT
THEME: "HIS WILL—MY WILL"

Christian greetings to our South Mountain Baptist Camp Friends. We first just want to say "Praise the Lord" for many victories this summer. Many of our campers say, "This has been the greatest week of my life." Others say, "What a blessing the camp program is to me." Many pastors write saying, "Our young people come home excited about serving our Lord, Jesus Christ." Thank God for these and other testimonies.

Our camp continues to grow in attendance, with an average of 237 weekly for the summer. A total of 214 came from your association. This summer, campers considered how to know Christ and how to know and do His will. They were made aware of the needs of a lost world and were challenged to share Christ throughout the world. Above all, our camp continues to grow spiritually. Decisions for Christ amounted to 1200, of which 330 were professions of faith. "Hallelujah."

CAMP OUTREACH: Our camp staff, consisting of about 30 young people conducted worship services in 14 different churches. Over 200 decisions for Christ were made in these services.

SOMETHING NEW: For the first time, we had a sign language class taught each day for those campers who were interested in learning to communicate with the deaf. Many responded to this class.

GOOD NEWS: Kester Furniture Stores of Shelby and Hickory have donated $5,350.00 to purchase and improve the Mount Hebron cottage. It will now be called the "Kester Memorial Cottage."

CAMP CHAPEL: Our Chapel which is now under construction is closed in, insulated, has the wiring and plumbing roughed in, and has one-fourth of the ceiling completed. The grading for the Chapel was donated by Mr. Truman Williams, and Mr. J. C. Cook gave of his time and machinery to saw some lumber for us. We continually praise the Lord for men like these and for the 35 other christian men who have donated volunteer labor on the chapel. We have spent approximately $20,000 thus far on the 80 x 40 two story building.

URGENT NEEDS: We would like to see our Chapel finished by March of 1975, and we urge each church to make a worthy investment in this endeavor. We estimate this cost to be approximately $20,000.00. Please remember to include the camp in your budget. Also, our Staff cabin needs some improvements along with some of our other cabins and beds. We really need some volunteer labor in our Chapel. It is a blessed fact, that by giving of your means to such a ministry as this, you help preach, teach, and sing the gospel long after your voice is no longer heard in this world.

OPPORTUNITIES: We invite you to use our Camp for retreats, church picnics, field days, and other church related activities. Also, plan early for camp attendance in 1975.

If we can be of help in presenting the Camp message to your church, please contact T. A. Lineberger at 437-8308 (Residence) or 437-8788 (Camp).

Respectfully Submitted,
T. A. Lineberger

REPORT OF THE AUDITING COMMITTEE

We have examined the accounts of the Kings Mountain Baptist Association maintained by Mr. Joseph E. Cabaniss for the year ending September 30, 1975.

The examination consists of tracing all recorded cash receipts to the bank statements and of verifying disbursements on a test basis of examination of invoices and cancelled checks.

In our opinion the statements of receipts and disbursements as shown in the report found elsewhere in this volume presents fairly the financial transactions of the Kings Mountain Baptist Association for the year ending September 30, 1975.

Respectfully submitted,
Rylan Redding, Auditor

TRUSTEES REPORT

The Trustees of Kings Mountain Baptist Association did not transact any business during the past year, and therefore, we have nothing to report.

Respectfully submitted,
George Hamrick

SUNDAY SCHOOL REPORT

Sunday School is the outreach and teaching arm of the church. Although some declines were experienced last year in this vital area of ministry, we firmly believe that 1975-76 is the year of REAL ADVANCE. The stress of the Sunday School in 1974-75 and 1975-76 is on adults, reaching adults, winning them for Christ, and teaching them to observe all the things that He has commanded us to do. Our particular emphasis in this year is young adults, the future of the church. Extra heavy emphasis will be laid on reaching this vital group for our Lord and for the future.

In a parallel emphasis, special groups will be noted for target group evangelism, groups such as blind, retarded, emotionally disturbed, college students, career young people, and divorced people. Because of the special needs presented by these groups a greater effort than ever will be placed on training to minister effectively.

To accomplish this, four age group clinics are projected. These clinics will not only stress the special target groups but also endeavor to enhance the regular program of Sunday School teaching and outreach. The four age group clinics are preschool, children, youth and adult. In addition to these there will be seminars and clinics for special training in the specialized areas.

In summary, our need is to reach out and expand our evangelistic effort in order to reach more

people for Jesus Christ. It is, secondly, to deepen people through better teaching of the Biblical revelation.

Our age stands in need of seeing again the exalted Christ who promised, "And I, if I be lifted up, will draw all men unto me." It shall be our privilege and responsibility to aid in the exaltation of Christ in outreach and teaching.

Respectfully submitted,
Gene L. Watterson

CHURCH TRAINING REPORT

The Church Training department of Kings Mountain Baptist Association is glad to make an encouraging report for 1974-1975.

While not each of our cooperating churches have an active church training union the majority of our churches has some typeo of on-going church training program. However it is the goal of our Associational church training department to assist those churches who do not have a weekly program to start one.

A Review of this year's Work

(1) The Church Training program of our association has had the privilege of assisting some of our local churches with their programs. We are always delighted to offer our services to the local churches, but can do so only when we are invited by the local church.

(2) We have been active in the executive committee and made regular report to the general Board of the Association. This is our way of promoting the entire Associational program.

(3) Several of the local churches along with the Associational church training leader had the privilege of attending church Training Union Conference at Ridgecrest Conference Center in the summer of 1975.

Our Goals for 1975-1976

(1) Plans are nearing completion for associational church training M-Night November 30, '75. This Rally is to be at Elizabeth Baptist Church with a record attendance expected. We plan to offer two banners this year (A) A banner to the church with the total highest number present (B) A banner for the church with the highest percent of their church training enrollment present. We have an inspiring program planned and urge every church to participate.

(2) Our church training department is now actively promoting our Associational W. I. N. Institute scheduled for 1976. This work is well underway and more information will be made available soon. We urge each church to participate in this.

(3) Our Association will join the Southern Baptist Convention in a "New Day For Training" April 4, 1976. This is an effort to establish 1196 new church training units by the above mentioned day. It is our prayers that at least six of these can be in our Association.

(4) Finally, we remind you that your Associational church training leaders stand ready to help you in any of the three areas of our work:

A. New Members Orientation
B. Church Members Training
C. Leadership Training

Respectfully submitted,
Broadus Heatherly

BROTHERHOOD REPORT

On January 28, 1975, at Ross Grove Baptist Church a Brotherhood Workshop was held. We were fortunate to have leaders to teach each group of leaders.

Steve Wall of the Brotherhood Commission, Memphis, Tennessee, was the instructor for Baptist Men.

Marion Rector, pastor of Kerr Street Baptist Church, Concord, was instructor for the Pioneer group.

George Shore, Director of Missions of the Cabarrus Association, Concord, was instructor for the Crusader group.

We had a real good workshop in attendance and instruction on how to carry on the work of each group. There were sixty-five present, and we are thankful for their interest and the work they are doing with the boys of our churches.

We are thankful for the wonderful work Mr. Hal Dedmon, RA Director, has done with the boys of our Association.

I had the privilege to visit and speak with many of the Brotherhoods in our churches this year and was thrilled at the attendance and enthusiasm found.

We have a great potential in the Kings Mountain Baptist Association, and may we take hold and exercise this privilege in a greater way each year.

Respectfully submitted,
Fred Wells, Brotherhood Director

WOMAN'S MISSIONARY UNION REPORT

Last April Woman's Missionary Union began an emphasis called TIME—Training in Missions Education. This is to be continued throughout 1975-76 with both leaders and members to be given special training. At each local church council meeting once during the quarter some part of a book relating WMU to our mission boards is to be reviewed. Also at group and general meetings there will be member training.

For the 1975-76 year particular attention is being given to Baptist Young Women because of the previous low enlistment of this age group. This effort is called "A Tempo."

During the past year we held our annual spring meeting at First Baptist Church in Grover with our WMU Council in charge of the program. "The Rope of Sand," a new film on the Cooperative Program, was shown. The Leadership Training Conference was held in September at the Kings Mountain Baptist Church with about 250 in attendance.

Age-group meetings were held by Baptist Women in February and July, Baptist Young Women in November and March, Acteens in October and June, Girls in Action in April. The WMU Council has met quarterly for planning, and members of the Council have visited in many churches to teach mission studies, present programs and train leaders. A new WMU has been organized at Allen Memorial.

The WMU NEWS, quarterly mail-out, has been sent to pastors and all church WMU officers.

At the state W. M. U. Convention in Charlotte in March, our organization was recognized as a Distinguished W. M. U., the highest recognition given on the Achievement Guide. While we are happy over accomplishments, we also realize how much there is to be done.

Six members of the Council attended part of WMU Conference at Ridgecrest, and eight attended special leadership training at Fruitland in August.

I have attended General Board, Liaison, Executive, and Long Range Planning Committee meetings regularly this year. As an outgrowth of Long Range findings, our Council plans to emphasize Mission Action with workshops being scheduled for January.

We should like to help organize mission work in the remaining churches without it. Call on us if we can help. All of this we do because long ago Christ said, ". . . love thy neighbor as thyself."

Respectfully submitted,
Mrs. Hubert C. Dixon

CHURCH LIBRARY REPORT

Out of 45 churches having libraries, nineteen reports have been received as follows: Number of Books 21,538 with a circulation of 6,945.

Pastors and leaders, please encourage your members to make greater use of your libraries.

MUSIC REPORT

It is always difficult to assume the work of someone who has achieved the stature that Van Ramsey did in the Kings Mountain Association in the position of Music Director. Certainly this association's loss is Florida's gain. Van served well for many years as your director and even after I inherited the task this year, he graciously agreed to continue to completion the major musical accomplishment of the year which he had begun planning for while he was still associational music director. Although I had some input into the initial stages of plan and purpose, it was Van who did the hard job of bringing into fruition the very successful, well attended, extremely beneficial School of Music held at Elizabeth Baptist Church last February 10-13. This was not the only work done this year but certainly the most memorable and noteworthy.

I am extremely grateful to Van, Reverend Cline Borders, the Music Department Staff of our North Carolina State Convention and all those of you who participated. The remainder of this year's work has been accomplished on a personal and informal basis as needs have arisen in churches and they have seen fit to call on me as a resource person, a supplier of materials and ideas, or just a willing listener.

Respectfully submitted,
Gary L. Southard

MEMORIALS REPORT

Today, through our reports, we are looking back over the past associational year with its achievements and its shortcomings. As we are gathered here in this beautiful building and surroundings we are painfully reminded that many faces who once met with us and helped us to make our records are no longer with us. They have departed this veil of tears to be with their Maker and Redeemer in that land that is fairer than day.

Just now we pause in our deliberations to pay tribute to those who have departed our ranks to enter that celestial city. They have run the race, finished the course and are at rest, we trust, with their Saviour and Lord.

A total of 182 have passed away—including 1 minister and 9 deacons.

Like the writer of Hebrews, we think of them as a "cloud of witnesses" looking upon us with love, sympathy, prayers and goodwill. We praise God for their loyalty and faithfulness and bow our heads and hearts in humble submission to our Master's will. May their example inspire us, who remain below, to higher and nobler efforts to glorify God and to serve our day and generation more perfectly.

Respectfully submitted,
W. V. Tarlton

HISTORIAN'S REPORT
October 22, 1975

"Remember without ceasing, your work of faith"—1 Thel. 1:3

Our clerks and historians from our various churches have recorded the thousands of data and many things our 70 churches and over 25,000 members have done this year. I am persuaded that the programs, the building additions, the new sanctuaries, the added new equipment, the baptisms, and all of the other tasks, well done, have been works of faith. We have planted, we have watered, we have cultivated and harvested in faith. This is what making history is all about. All of us have made some sort of history, some positive, some negative. Our Superintendent of Missions has made a tremendous chapter in our history with the monumental work he has done at home

and the things he and his good wife did on the foreign mission field.

Your history committee met sometime ago and set some goals for more works of faith for the new church year, this 125th anniversary year. They are as follows:

(1) Finish the book, THE HISTORY OF THE ASSOCIATION, in 1976. Much has been done, but there remains much to do. We promise you a book and hope you will be proud of it and that it will truly reflect the work of the association during the past 125 years. Mrs. Charlotte Swift continues to assist in compiling and editing this book, and at present is working on a very full and productive chapter about the Woman's Missionary Union and its component organizations.

We are getting a lot of data but we need more photographs and more stories about the people and churches and the human interest things that have made our past so colorful.

(2) We hope to get every church to write its own history, if it does not already have one.

(3) Historians are urged to bring microfilming up to date. The last was done some eight to ten years ago.

(4) Let us plan to celebrate all pertinent anniversaries, such as the founding of your church, moving to a new location, or anything else of significant interest.

(5) We're hoping that all the churches in this association will enter into bicentennial activities and help celebrate the 200th birthday of our country, which was established in great part for the promotion and maintenance of religious liberty. Your church is an important and central part of your community and should take the lead in any bicentennial celebration.

(6) We hope all the churches will make some contribution to the Cleveland County Historical Museum, which has a department of church history. Mr. Burie Hopper and his wife, Gladys, of this church (New Hope) are in charge of the church division. They're seeking information and articles of historical interest from all the churches of the county, and, certainly, we want our Baptist denomination to be well represented. The secular press says that Baptists are poor in this world's goods, but I believe we're rich in history and in appreciating of the things and people of the past who have made us great. Again remember "All of our work is a work of faith."

YOUTH AND FAMILY SERVICES REPORT

This past year has been one of the most effective in terms of service for our Youth and Family Services and I would like to highlight four specific areas.

I. THE COUNSELING SERVICE

(1) Early in the year the judge of Juvenile Court began to write into their orders that certain youngsters and their families see members of the Youth and Family Services staff for counseling.

(2) The Juvenile Counselor's office in the Law Enforcement Center began providing office space and secretarial help.

(3) Referrals have come from the churches, from the Association office and from the medical community.

(4) The result has been 212 interviews this year which represents a four-fold increase over 1974.

(5) In addition to Dr. Fred McGehee, who has pioneered this volunteer counseling service in our association, Reverend Dean Coffey, in January; and Dr. Bill McKinney, in September began to assist in this counseling.

II. THE VOLUNTEER PROGRAM

(1) Volunteers from the churches have been used on occasions this year to provide needed services for young people such as dependable, compassionate friendship, tutoring and in other ways.

(2) We have appreciated the willingness of others to serve and we hope to use them in the future.

(3) In September a full-time volunteer coordinator was hired by the Juvenile Court.

III. OPENING OF THE CLEVELAND COUNTY GIRLS' HOME

(1) In January and February this year Youth and Family Services worked to secure appropriate housing for a shelter and treatment center for girls ages 9-15 with behavioral problems.

(2) A home was opened in March on Grover Street in Shelby, and we share in the treatment of the girls living there by seeing their families and through case conferences.

(3) This home is in need of maintenance funds this year. We do appreciate Lattimore, Boiling Springs and Double Shoals Churches for including the Home in their 1975-76 church budgets, and we hope that other churches will share with us.

IV. SPEAKING ENGAGEMENTS AND CONSULTATIONS

(1) Although the work of Youth and Family Services is more a program of listening than of speaking, we have participated in two family life conferences, brotherhood meetings and two lectures at Gardner-Webb College.

(2) In September we met with leaders of the County, Social Services and Gaston Association to assist them in launching a program similar to the program in our Association.

Respectfully submitted,
Dean Coffey

GARDNER-WEBB COLLEGE

J. L. Nichols, Jr., Chairman, Board of Trustees
E. Eugene Poston, President

Gardner-Webb College is enjoying the beginning of the seventieth year as a school. From 1905 to 1928 the school served students through the high school curriculum. From 1928 to 1971 two years of college studies were added. In 1971 Gardner-Webb College became a fully accredited Senior College. Gardner-Webb is also a member of the North Carolina Association of Colleges and Universities.

It is with joy and pride that the College is a part of the Baptist Family of North Carolina. The Cooperative Program is the life-line of the schools as well as missions around the world. The school keeps striving for excellence as an academic institution. The entire educational program works toward the fulfillment of the stated Purose—"To develop quality Christian students who will think for themselves and who will dedicate themselves to the Christian way of life in the vocation of their own choice."

Currently there are approximately 1400 students led by a dedicated faculty and staff of 140 people. The students and their leaders are striving daily to find God's will for their lives and preparing to carry out God's will.

Gardner-Webb College lost one of her most faithful Board members during the past year, Mr. T. R. Hendrix, Sr. of High Point. Mr. Hendrix had served on the Board for three full terms. At his death he was serving as Vice-Chairman of the Board. His influence will live on and on.

The present debt of Gardner-Webb College is $1,410,611. It is being amortized monthly. The current Budget is $3,909,685. The College is in sound financial condition. However, with inflation running high, there must be greater care in buying and spending. Again, the College expresses genuine gratitude to the Baptists of North Carolina for their generous support and for their prayers.

At the present time there are 302 students studying for full-time Christian service. There are 141 students who served in some capacity of Christian work during the past summer in eleven States.

Gardner-Webb College continues to give two year programs in Nursing, Data Processing, and

Secretarial Science. The College has a joint four-year program with The Bowman Gray School of Medicine in Medical Technology.

The school year 1975-1976 should be a successful one.

SOUTH MOUNTAIN BAPTIST CAMP
1975 REPORT
THEME: "LOVE IN ACTION"

Thanks to God for another year of victories at South Mountain Baptist Camp. As we discussed our theme, led in worship, studied about the needs of a lost world, and prayed about God's plan for our lives, the Holy Spirit moved with great power.

We had over 4,000 in attendance this summer, including those who came as special groups. In addition, we had approximately 1,000 visitors attending the various services at SMBC. This year we had an average of 236 campers per week for the eleven encampments that were held, which included 205 from your association. Of these 4,000 campers, the Holy Spirit inspired 1,440 of them to make some kind of decision, including 407 professions of faith. Praise the Lord! We were thrilled also to present hundreds of star and honor camper awards.

Our chapel was completed enough so that we were able to use it all summer and it was a great help to us in conducting our services. We are eternally grateful to the many churches and individuals who helped us financially and with free labor, equipment and materials. Several memorial contributions were also given, which were a great help.

To date, we have spent approximately $45,000 on the chapel, of which we still owe $8,000. It is estimated that it will take around $5,000 more to completely finish this project. We need fifty more churches to include the camp in their budget so that this $13,000 can be taken care of. We also need improvements in other areas. Some churches are assuming the responsibility of improving and maintaining a cabin. Maybe your church would like to do this. We also need a storage-workshop building about 30' by 40'.

Please remember that the camp is available for church picnics, day camps, and retreats during the fall and early spring. Also, the camp is becoming more popular each year and, because of this, I urge you to make your reservations early next year so you will not be left out.

Respectfully submitted,
T. A. Lineberger

1975 ASSOCIATIONAL REPORT

Annuity Board of the Southern Baptist Convention

The Southern Baptist Convention Annuity Board serves as a lifeline of support for 10,034 retired pastors and other church-related workers or their widows.

During 1974, the Board paid about $15 1/2 million in retirement and other protection benefits to these annuitants. In the Board's 57-year history, it has paid a total of over $125 million in retirement and protection benefits.

The Annuity Board also holds in trust and invests retirement contributions from 38,000 pastors, other church staff and denominational employees—which will be converted into annuity benefits when they retire.

These funds held in trust amount to a record $353,445,743. While this seems a large amount of money, it needs to be noted that this must be divided by the number of future annuitants it will serve for the remainder of their lifetimes after retirement.

The Annuity Board would have enjoyed its best year ever in 1974, but the stock market's downturn intervened. Realized and unrealized losses in income from bonds, short-term investments, and common stocks amounted to $21 million.

Gains in other investments reduced the net loss to $11.3 million, or three per cent based on average investments. All investment funds, whether church-related or having other connections,

suffered from the stock market decline.

As the stock market began to recover in early 1975, the losses also began to be recovered, Board President Darold H. Morgan said.

In December, 1974, the Board issued a 13th Check to annuitants. It amounted to more than $675,000 and was equal to one month's benefits. It is called a 13th Check because it is issued above and beyond the 12 regular monthly benefit checks distributed to annuitants.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

ASSOCIATIONAL EVANGELISM REPORT—1975

All churches will receive Proclamation '76 Planning Calendar booklets for 1975-76 and other revival materials. Each association is encouraged to plan a Simultaneous Revival among the churches during the spring (March or April) of 1976. If you do not have a Simultaneous Revival, every Baptist church is urged to plan a dynamic revival effort in the spring of 1976.

The continuing response of youth and adults to Lay Evangelism Schools has been significant. In the past 3 1/2 years, 12,774 youth and adults have shared in this lay witness training from 1,007 churches and 55 associations. Also, 107 pastors from nine other associations have participated in Pastor's Retreats dealing with Lay Evangelism Schools. Five other associations have planned Lay Evangelism Schools during the fall of 1975.

"BE RECONCILED TO GOD AND MAN" was the theme of the 29th Statewide Evangelism Conference at War Memorial Auditorium, Greensboro, February 3-5, 1975. Over 2,400 pastors and lay persons heard excellent speakers emphasize various phases of evangelism.

Youth Ministries Week was held at the North Carolina Baptist Assembly during June 9-13 for 520 youth and adults with the emphasis on evangelism, vocational guidance, and recreation.

About 14,000 youth, pastors, and adult leaders will attend the 5th Statewide Youth Evangelism Night—August 15—at the Greensboro Coliseum. Dr. Bill Self, Atlanta, Georgia, is the guest speaker, and Bill and Linda Cates are the guest musicians. Christian youth continue to share a strong witness for Jesus Christ across our state.

The Division of Evangelism is cooperating with the Brotherhood Department in Lay Renewal Weekends and Renewal Evangelism.

Let us rejoice in the leadership of the Holy Spirit in wonderful revival meetings, city-wide crusades, and evangelism clinics during the past year.

The 30th Statewide Evangelism Conference will be at the Civic Center Auditorium, Asheville, during February 2-4, 1976.

Remember to pray daily for the work of evangelism in all the churches of our state, nation, and world.

BAPTIST HOSPITAL REPORT TO ASSOCIATIONS 1975

There have been many significant developments, in several different areas, at your Baptist Hospital during the past year.

By the time this report is read the new ambulatory care unit will be open, making possible enlarged and improved services for the Emergency Room, Outpatient Clinics, Physical Therapy and other departments. Renovation of the West Wing will be complete and renovation on the South Wing will begin in early August. The third floor of the Progressive Care Unit has been remodeled to provide 26 beds, therapy room and other improved facilities for Psychiatric services.

The long-awaited EMI-scanner is now in use and is already proving beneficial in detecting blood clots, tumors, strokes and other abnormalities of the brain.

A Family Practice Center opened July 1, 1975 to offer more primary medical care for patients and also to provide specialized training for physicians who choose to enter Family Practice.

During the year the hospital had its biennial review by the Joint Commission on Hospital Accreditation. All areas of operation received an excellent report, but physician service, nursing service and administration all received especially high commendation.

Despite the continued rise in costs for services and materials the hospital has been able to operate in the black. The administration and department heads confer frequently and make diligent effort to see that the hospital operates as efficiently and economically as possible.

Gifts from the Baptist churches have been very gratifying. During the calendar year of 1974 the hospital received $258,898 through the Cooperative Program and $392,000 through the Mother's Day Offering. Hospital staff members have participated in Cooperative Program promotion in cooperation with the State Convention Division of Stewardship and Cooperative Program Promotion.

The Department of Pastoral Care has opened a counseling center in Raleigh, its second satellite center. Plans are developing for a third satellite in the western part of the state. The Department has established a scholarship fund as a memorial to Dr. Richard K. Young, the department's first director, who died December 31. Full re-accreditation was given the School of Pastoral Care in December by the Association of Clinical Pastoral Education.

During the past year Mr. Reid T. Holmes retired as President of the hospital, after serving in the hospital administration for 29 years.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED

Christian child care provided by the Baptist Children's Homes of North Carolina is a cooperative mission. It was through the life, teaching and ministry of Christ and under the leadership of the Holy Spirit that North Carolina Baptists launched their child care ministry 90 years ago. Today it is recognized as one of the outstanding ministries of its kind in the nation.

The lives of more than 3,700 people were affected in a significant way through the services of the Homes during the past year. Daily care and related services were provided 1,524 children. Of this number, 1,061 were in continuing programs while 463 received casework, counseling, and referral services. While we were caring for the children, a close working relationship was maintained with 2,178 adults in an effort to reestablish homes and strengthen family relationships.

New and exciting developments are in progress throughout the state. During the past year emergency shelters were opened in Charlotte and Forest City to meet the needs of children requiring immediate assistance. Both Broyhill Home and Mills Home will have a new cottage for children constructed during the next year. Progress is being made to expand facilities at Odum Home. Increasing numbers of families are opening hearts and homes for the care of foster children. All of these indicate a living. vital and growing ministry to people.

The award winning film, "The Mountain Within," meets with praise and appreciation wherever it is shown. It will continue to be available by request, either to the Communications Department of the Baptist State Convention or to the Children's Homes.

A cooperative mission requires that the parties involved have a clear, common purpose to which they are firmly committed, undergirded by mutual trust, and clear communications. These three factors characterize the relationships between the Baptists of North Carolina and their Children's Homes. Through the Cooperative Program and the Thanksgiving Offering, Baptists throughout the state can share a commitment to Christian child care. In response, the staff of the Children's Homes is committed to translate this support into a dynamic ministry of love and concern for children and families in need. With God's continued blessing we will move together to fulfill our mission.

1975 BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

Baptist state papers claimed more attention than usual at the 1975 meeting of the Southern Baptist Convention in Miami Beach this year. In the celebration of the 50th Anniversary of the Cooperative Program, it was revealed that they had played a tremendous part in the growth of our denomination. Louie D. Newton, denominational statesman and former editor of Georgia's CHRISTIAN INDEX, introduced all the 33 editors of state papers and made a comparison of circulation of each in 1975 with that of 1925 when the Cooperative Program was born. Many were not in existence at that time, however, but this in itself reveals something of Southern Baptist growth.

In giving a special committee report on state papers, H. Franklin Paschall, pastor of First Church, Nashville, Tenn., reported that present circulation is 1 3/4 million and recommended that the convention reaffirm its goal of getting a state paper into two million Baptist homes by 1980. The committee recommended a vigorous campaign in all states to help accomplish this, and also recommended that state papers be incorporated in all local church budgets.

The BIBLICAL RECORDER is one of those 33 state papers, and one of the oldest, and we hope, one of the best. In spite of continued problems for religious publications because of inflation, and skyrocketting postage costs, the circulation of the RECORDER remains above 112,000. Congregations including it in their budgets for all their families are the ones which have an informed membership. It is our hope that North Carolina Churches will take seriously the recommendation reaffirmed at the Southern Baptist Convention that state papers be incorporated in local church budgets for all their member families. Already more than 1,000 churches in North Carolina are doing this, and more congregations do so each year. Pastors and deacons should initiate such action, and it should be supported by all the organizations in the church.

The BIBLICAL RECORDER has covered many sensitive issues this past year. Words of appreciation have come from Baptist people all across the state, for they are aware that "an informed people is the bulwark of Baptist democracy."

The RECORDER continues to operate on a limited budget, and with an altogether too small staff. Local churches can help us by understanding these limitations, and by renewing their subscription plans promptly.

Ray K. Hodge, pastor of First Church, Kinston, says: "One of the easiest tasks I have had as a pastor is to lead churches to include and keep the denominational paper in the church budget. It is such a bargain that trying to save a few dollars (by not subscribing to it for our families) is too costly. It would be like saving the expense of regular visits to the dentist, only to pay more in various ways later."

His advice is well taken.

Respectfully submitted,
J. Marse Grant, Editor

N. C. BAPTIST HOMES FOR THE AGING

There has never been a year in the history of your Baptist Homes when more people have sought the services of the Homes. This has been true particularly of the aging sick person. Almost daily calls come from older persons, and their families, inquiring about admission to one of your five resident Homes and the Skilled Nursing Care Facility of the Homes.

Today there are some 21,000,000 Americans 65 and above, and this number, it is anticipated, will grow by over 300,000 a year in the years ahead. The needs of aging people are overwhelming, and we must strive diligently to meet those needs.

Although we can minister in our North Carolina Baptist Homes to only 230 persons at any given time, we have served hundreds of aging people through the twenty-four years that we have been on the scene at Resthaven, the Hayes Home, and the Nursing Care Unit, in Winston-Salem, and in our Homes at Albemarle, Hamilton, and Yanceyville. As God continues to bless us and lead us, we will make every effort to expand our ministry and to reach out and help as many older persons as possible in the years ahead. We can do this only by the grace of the Lord and by the increased concern and giving of our Baptist people.

Gifts for 1974-75 from our Baptist Churches, through the Cooperative Program and through the 3rd Sunday of February Offering for the Homes, reflect a very encouraging increase. This is great, and we are grateful especially since four out of every five persons who live in our Homes depend upon these love gifts for their care! Your love gift is a life-line to these deserving older persons, and they could not be cared for in the majority of cases, if it were not for you.

Signs on the horizon indicate that we will need greater financial support for our Homes for the Aging from our Baptist people than ever before.

The most exciting development in the family of your Baptist Homes for the past year has been the experience of obtaining one of the most beautiful locations in the Blue Ridge mountains of North Carolina for the proposed Western North Carolina Baptist Home. This site is a twenty-one acre tract of land overlooking the city of Asheville, better known as the Pearson Estate, on Richmond Hill, in Northwest Asheville. God Himself, we feel, has guided us in discovering this beautiful site.

Plans are in the making now to raise $1,000,000 for the construction of this new proposed Western North Carolina Baptist Home. These plans initially will include 50 rooms for residents, with living room, dining room, library, chapel and activities room, and other necessary rooms. With the completion of this Home, North Carolina Baptists will be enlarging their base of ministry to almost 300 persons, and older people from Western North Carolina will have a facility to serve the hundreds in their area who will need the service of this lovely facility now and in the years to come.

Pray for the ministry of your Baptist Homes for the Aging. Give as liberally as possible that the overwhelming needs of older people in our midst might be met more adequately. Visit the Homes and see first-hand the personal joy that your gifts bring. Know that your ministry to even one of these dear older people is a ministry as unto Christ Himself.

THE CHRISTIAN ACTION LEAGUE

The Director of The Christian Action League, and our new President, Bill Wallace, wish to express deepest appreciation to the many friends and supporters of the work of the League in_____ASSOCIATION. Our program depends upon you for its success. You provide the money, you furnish the prayer support, and you furnish the "clout" which the League has in its efforts. With trustees and friends and supporters in every Association in the State, we have a broad base of support. As we do the work of God in North Carolina, we are so very conscious of our dependency upon Him and for the wonderful way in which you have supplied our needs.

The General Assembly has been in session this year. A bill was introduced by Representative Dan Lilley of Kinston to close every beer joint in North Carolina at midnight. Under the present law these places can stay open until 2:30 in the morning from the last Sunday in April through the last Sunday in October. The bill failed to receive enough support in the House ABC Committee to pass.

A bill was introduced by Representative Jimmy Love of Sanford to strengthen the state-wide statute regulating the flow of pornography. This proposed change would have given the District Solicitor discretionary power in the matter of the adversary hearing, and would have defined hard-core pornography in the Public Nuisance Section of the Law. This bill also failed to get the nod of the House Judiciary One Committee. We will be back in a later session with both of these concerns.

We continue to need your support. The most dependable thing to do is to place the Christian Action League in the budget of your church for a definite amount each month. As you do this, we will continue to be able to serve.

The League will be promoting Alcoholism Awareness Sunday in January and Highway Safety Sunday in August. Your support of these two efforts will help to save the lives of multitudes of innocent people in North Carolina. God created human life and thereby made it sacred. We are to recognize the sacredness of human life and seek to preserve it for God in every way that is possible.

REPORT OF THE DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups, and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, adminsitrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT 1975

As revealed through a Sunday School lesson during the past year, a good foundation of discipline and training in Spiritual matters is necessary for a young life to develop in a way to withstand the pressures of life during periods of stress and strain. It is almost trite to refer to the need of a good base or foundation for any activity or project contemplated in this life. Not in anyway is there a difference for a need of the Foundation, as thought of in terms of the Baptist Foundation, when we consider the future potentialities and needs to sustain and expand mission efforts and services to bring mankind into the influence of the saving grace of God's Son, Jesus Christ.

Chartered in 1919 by the Baptist State Convention of North Carolina, The North Carolina Baptist Foundation, Inc. has sought to assist individuals throughout the state in their estate planning, providing ways to support Baptist institutions and mission work on a permanent basis. Property and funds placed with the Baptist Foundation are invested by a convention elected board of directors with the income paid annually to the institution or mission cause designated by the donor.

Individual assistance is provided Baptists throughout the state in the establishment of trusts that not only benefit the donor but also support the Christian ministries of our denomination in a lasting, perpetual way.

During the past two years, $330,070.41 has been given to the N. C. Baptist Foundation, Inc., in the way of annuity trusts. In this type trust, the donors reserve the right to the income from the investments for their lifetime and then the income will be paid to the Baptist cause specified in the original trust agreement. The laws of our land provide to the donor certain tax advantages for the gift portion of these transactions.

Wills still account for a major portion of the funds held in trust by the Foundation. One such gift to benefit mission work from this year forward, came in the form of a farm and other assets given by the deceased. It was determined by the tax records found in this estate, that this person will give annually three times as much for missions through the income from this trust fund, as she was ever able to earn in total wages during any year of her lifetime. So what she could not do for our Lord's work here on earth in her lifetime, she does after her life here among us has ended.

New gifts to be held in trust by the N. C. Baptist amounted to $635,079.57 during 1974-75 fiscal year. Added to the market value of assets held from previous years brings the total value to $2,331,559.67 as of June 30, 1975. Income from all assets held by the Foundation which have been or will be distributed to designated beneficiaries in the near future amounted to $76,257.82 for the past 12 months.

For services offered by the Foundation to individuals or churches, please contact Mr. Edwin S.

Coates, Executive Secretary, N. C. Baptist Foundation, Inc., P. O. Box 26508, Raleigh, N. C. 27611 (Tel. No. 919-833-1605). All inquiries and assistance are considered confidential and personal matters.

1975 STEWARDSHIP AND COOPERATIVE PROGRAM REPORT

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program at a time when many others are having to reduce their outreach.

The sun never sets on your offering through the Cooperative Program, and it goes to help evangelize, to teach, to heal, as well as preach the Good News of God around the world. Consider how your gifts are used in God's service. More than 5,000 missionaries at home and in over 80 nations abroad receive a salary each month from your Cooperative Program dollar. These are the called of God to go preach, teach, nurse, doctor, and to do many other tasks. They have gone out from our churches to serve God as He directs them. Moreover, the aged, the sick, the widows, and homeless children have been helped by your gifts.

Last year, 1,026 churches increased their gifts through the Cooperative Program by 15 percent or more, and three associations in our state had 100 percent of their churches giving through the Cooperative Program.

To celebrate the 50th Anniversary of the Cooperative Program let us commit ourselves to do four things:

1. Each church increase its gifts to the Cooperative Program by 15% or more.
2. Pray for your home and foreign missionaries at each service in your church during October.
3. Contribute through the Cooperative Program every month.
4. Have a stewardship workshop in the Association.
